

Product List:

- **Orange Guard Home Pest Control:**

- *Description:* Orange Guard Home Pest Control is an all natural food grade insecticide with the active ingredient of orange peel oil (d-Limonene 5.8%). It's a contact insecticide and residual repellent and may be used around food, humans and pets. It kills and repels hidden bugs including ants, roaches, fleas, palmettos and silverfish. Orange Guard is water based and all the ingredients are on the FDA GRAS list (Generally Regarded As Safe). Orange Guard is also OMRI listed (Organic Material Review Institute) as allowed for use in organic production. d-Limonene is exempt from the FQPA (Food Quality Protection Act) as an insecticide in kitchen and pantries.
