

GopherHawk®

GopherHawk® Trapping Set

The GopherHawk® Trapping Set includes all of the tools needed to locate and remove gophers and moles. It comes with a Wedge & Probe tool to help you find and bore into the gopher or mole run from above ground, and a GopherHawk® trap that is placed through the hole and set, surrounding the tunnel with a steel cage that can be triggered from any direction. GopherHawk® is designed to quickly and humanely kill gophers and moles without the use of poisons.

Weight Per Each – 2 lbs.

Model Number – GH-SET

UPC – 8 62957 00000 3

GopherHawk® Single Trap

For expanded coverage of larger properties and heavily infested areas, additional Single traps are available. Along with the GopherHawk® Trapping Set, which includes the Wedge & Probe tools, additional Single traps can help anyone from a weekend gardener to a fulltime farmer effectively control their gopher and mole problem.

Weight Per Each – 1 lbs.

Model Number – GH-TRP

UPC – 8 62957 00002 7

GopherHawk® Replacement Straps

Replacement Straps can be easily installed with just a screwdriver. The simple, step-by-step instructions explain how to safely work on the trap.

Weight Per Each – 2 oz.

Case Quantities – 12

Model Number – GH-RPL
