# Imagination Starters is a brand committed to creative, non-digital play.

Here at Imagination Starters we believe in the power of coloring and play.

Coloring can quiet the mind, ignite creativity and get the imagination started.

We are a small woman owned and operated business in Cedar Springs, MI.

Experience the best in non-digital creative play with our easy to clean chalkboard mats, coloring kits, puzzles and mess free chalk crayons.

Coloring plays an important role in child development and is a form of play that all children can enjoy by themselves or in groups.

Our products have been featured on **The View**, **Good Morning America** and **LIVE! With Ryan and Kelly**. Imagination Starters has been a **MOM'S CHOICE Honoree** since 2020.
