Marie Originals Brand Deck

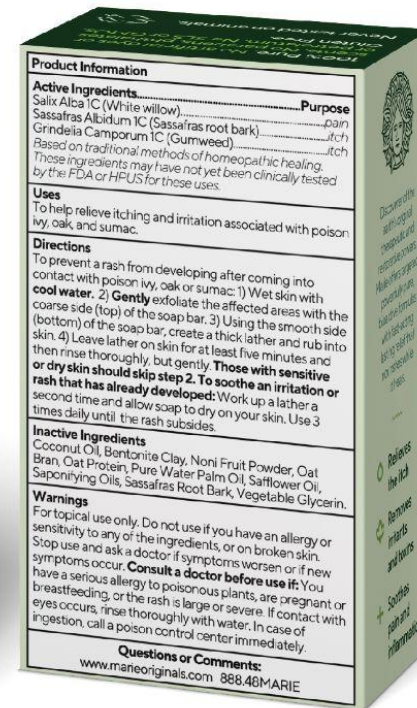

THE TRADESPERSON'S HEALTHCARE PRODUCTS

+

NATURAL FIRST AID SUPPORTING THE WORKFORCE

-  relieves the itch
-  removes irritants and toxins
-  soothes pain and inflammation

HOW IT WORKS:

1

Bentonite clay removes oils

2

Glycerin soap dries out the rash

3

Natural antihistamines relieve the itch

New look, formerly:

White Willow
the plant based
analgesic with the
power to **tamp**
down the pain

Bentonite Clay
the power to **pull**
toxins and allergens
out of your body
through your skin

Grindelia
the power to
help **relieve**
inflammation
and **halt the itch**

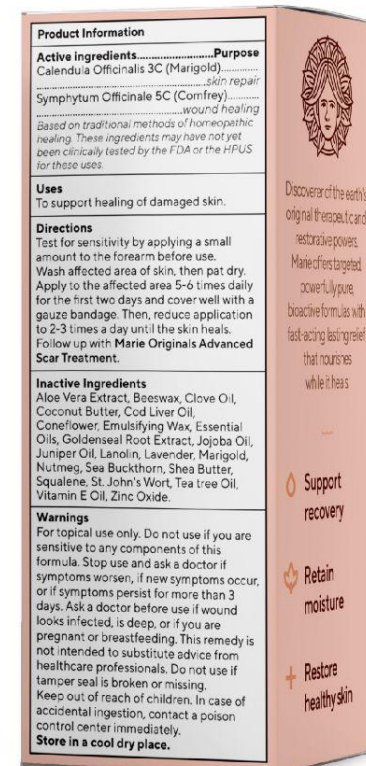

Sassafras
the power to
stop the itch
on contact

A potent anti-inflammatory blend, this herbal soap instantly soothes irritation and itching while removing toxic oils to halt the spread of poison ivy, oak, and sumac.

 retain
