DISCLAIMER

CONTINENTAL ART CENTER

This Sales Agreement is made effective on the day the sales order was received by Continental Art Center Inc. (CAC) of 1184 Canyon Glen Road, Chino Hills, CA 91709 from any Retailer/Distributor (Customer).

1. Item Purchased

• Continental Art Center, Inc. agrees to sell, and Customer agrees to buy, the listed products on either sales order or online website in accordance with the terms and conditions of this Agreement.

2. Product Standard

• The Goods shall comply with Continental Art Center's quotation or image representation of the Goods.

3. Title/Risk of Loss

• Buyer shall pay reasonable shipping costs in accordance with its shipping instructions, but the seller shall be responsible for packing, shipping and safe delivery and shall bear all risks of damage or loss until the Goods are delivered to the buyer's address.

4. Pricing

- Prices in this catalog are in effect starting 04/01/2023.
- Availability, prices and shipping rates are subject to change without notice and are billed at prices in effect at the time of shipment.
- If there are any errors in the prices, descriptions or images in our catalog or website, we reserve the right to correct them at the time of invoicing and shipment.
- Items MUST be ordered according to minimum quantities specified or in multiples of the minimum.
- Due to possible increases in duties/tariffs, there may be a 5% - 8% additional surcharge on top of our listed wholesale prices.

5. Payment

• Payment shall be made to Continental Art Center, Inc. in a lump sum amount listed on the invoice including the shipping cost by the agreed due date.

• OPENING ORDERS must be PREPAID by Credit Card.

Credit Cards will be billed at the time of shipping. All other payment methods are subject to approval and need to be confirmed first.

• Late payments are subject to a penalty fee of 4% increments to the invoices per month.

i.e.: The Customer will have a 15 day grace period after their invoice's due date. After 15 days of past due, there will be an additional 3% penalty fee charged. If the invoice is still not paid after another month, another 3% penalty fee will be added. Penalty fees will accumulate monthly in your invoice until it is paid.

• Buyers shall pay all costs of collection, including without limitation, reasonable attorney fees.

• In addition to any other right or remedy provided by law, if the Customer fails to pay for the Goods when due, Continental Art Center, Inc. has the option to treat such failure to pay as a material breach of this Agreement, and may seek legal remedies. The Customer is also obligated to cover all legal services charges that will be applied.

6. Delivery

• Continental Art Center, Inc. will always choose the most efficient/least expensive way of shipping.

For orders less than \$ 1,200.00, Continental Art Center usually uses FedEx Ground for small parcel delivery. For orders that exceeds \$ 1,200.00, Continental Art Center usually uses a third party freight company to deliver the Goods in pallets.

However, please bear in mind that due to the differences in nature and sizes of the Goods, there might be instances that the shipping methods stated above will be different and/or changed. The shipping method that will be used for each order will still depend on what items are ordered.

• Depending on the policies and terms on different freight carriers, there may also be additional applicable charges to deliveries should the Customer require the following services:

Lift gate	: \$ 125.00
Redelivery	: \$ 75.00
Limited Access	: \$ 80.00
Appointment Scheduling	: \$ 20.00

• If the order is a pallet delivery, before signing the pallet as received in the Bill of Lading that will be provided by the freight company's truck driver, Customers are required to double check and make sure that the pallet received is in good condition.

Otherwise, all damages that will be found outside of the pallet will be held liable to the consignee.

Any other information regarding claims shall be noted under "Claims".

7. Claims and Returns

• The Customer, upon receiving possession of the Goods, shall have a reasonable opportunity to inspect the Goods to determine if the Goods conform to the requirements of this Agreement. If the Customer, in good faith, determines that all or a portion of the Goods are non-conforming, they are required to report any shortages and/or damages all at once within the following time frame:

Orders under \$ 1,000	: 10 days after the order was received
Orders between \$ 1,000 – 3,500	: 20 days after the order was received
Orders above \$ 3,500 – above	: 1 month after the order was received

If any claims for damages and/or shortages are reported within the time frame given above, free replacements and/or refund/credit on file will be applied.

If any claims for damages and/or shortages are reported after the time frame given above, shipping charges will be applied for replacements and/or only credit on file will be applied (NO refund).

If any claims for damages and/or shortages are reported after 6 months and replacement parts are requested, replacement fee and shipping charges will be applied (Refund or credit request will not be accepted).

DISCLAIMER

- Continental Art Center, Inc. warrants that the Goods shall be free of substantive defects in material and workmanship.

- Continental Art Center, Inc. shall, in no event, be liable for any incidental, special, or consequential damages of any nature, even if Continental Art Center, Inc. has been advised of the possibility of such damages.

8. Force Majeure

- If performance of this Agreement or any obligation under this Agreement is prevented, restricted, or interfered with by causes beyond either party's reasonable control ("Force Majeure"), and if the party unable to carry out its obligations gives the other party prompt written notice of such event, then the obligation of the party invoking this provision shall be suspended to the extent necessary by such event. The term Force Majeure shall include, without limitation, acts of God, fire, explosion, vandalism, storm or other similar occurrences, orders or acts of military or civil authority, or by national emergencies, insurrections, riots, or wars, or strikes, lock-outs, work stoppages, or other labor disputes, or supplier failures.

9. Dispute Resolution

The parties shall select a mutually acceptable arbitrator knowledgeable authority to modify any provisions of this Contract or to award punitive damages. The arbitrator(s) shall have the power to issue mandatory orders and restraint orders in connection with the arbitration. The decision rendered by the arbitrator(s) shall be final and binding on the parties, and judgment may be entered in conformity with the decision in any court having jurisdiction. During the continuance of any arbitration proceeding, the parties shall continue to perform their respective obligations under this Contract.

10. Confidentiality

13. Amendment

- This Agreement may be modified or amended if the amendment is made in writing and replied by the other party.

14. Severability

- If any provision of this Agreement shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable.

- If a court finds that any provision of this Agreement is invalid or unenforceable, but that by limiting such provision it would become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.

15. Applicable Law

- This Agreement shall be governed by and construed according to the laws of the State of California without reference to its conflicts of law principles.

16. Signatures

Shipping Disclaimer

For full transparency of our shipping process, we want to explain what special services are for pallet shipments and why some charges are being applied before or after receiving your order.

SPECIAL SERVICES:

Lift Gate - \$125

Limited Access - \$80

Delivery Appointment - \$20

Will Call - \$35

Redelivery - \$100

What qualifies as LIMITED ACCESS?

Delivery locations that require smaller trucks, and/or require the freight company to drive to a remote area or further distances. Locations that fall under limited access:

Residential/Home addresses, Farms/Rural locations, Shopping Malls, Schools, & Street Access Only

LIFT GATE CHARGES are when the driver uses a hydrolic lift to lower the pallet down from the truck to the ground. Freight companies DO NOT allow customers to enter their trucks and break down pallets to unload it themselves.

What does NOT require a lift gate:

- Location has a forklift
- Location has a loading dock
- Special machine or attachments that reach the truck bed (call or email to confirm what is being used to unload the pallet to help avoid potential disputes)

DELIVERY APPOINTMENT: The freight company will schedule a date/time with the customer in case the customer requires a specific time or day for delivery.

WILL CALL: For when customers want to pick up their shipments at a specific terminal.

REDELIVERY charges and how to avoid them:

- Inform us of your store receiving hours or closure days (holidays not required)
- Inform us of special services needed before shipping

Freight companies are becoming more strict on these additional charges and the liftgate has been the biggest issue for a lot of customers. So we want to offer discounts to those who inform us of the special services needed before shipping:

Liftgate - \$10 off

Limited access - \$10 off

Delivery Appointment - \$3 off

If customers have their own preferred freight company, we are happy to coordinate with them for scheduling pickup. We can also provide you our quote price, along with the pallet dimensions so you can compare pricing. Customers can also choose to have their orders shipped via FedEx or UPS to avoid the cost of special services. Please let us know first so we can compare which is the better cost effective option.

Failure to inform us of special services or requests may result in charges that will be billed to you at a later date.
