2025 COLLECTION

Growing Together

At Bloem, we understand the success of your business is rooted in offering top-quality products and exceptional customer service. That's why we're committed to being a reliable partner you can count on.

We deliver on-trend products in fashionable colors that resonate with today's gardeners, ensuring you have the most sought-after items in stock.

Our responsive customer support team is here to answer your questions and help you find the perfect solutions for your customers. But it doesn't stop there.

We understand that everyday actions matter. That's why we're committed to sustainable practices, both in the products we offer and how we operate.

We believe changes today pave the way for a better tomorrow.

NEW & TRENDING

Fresh Finds for Every Space: Explore our New Styles & Colors

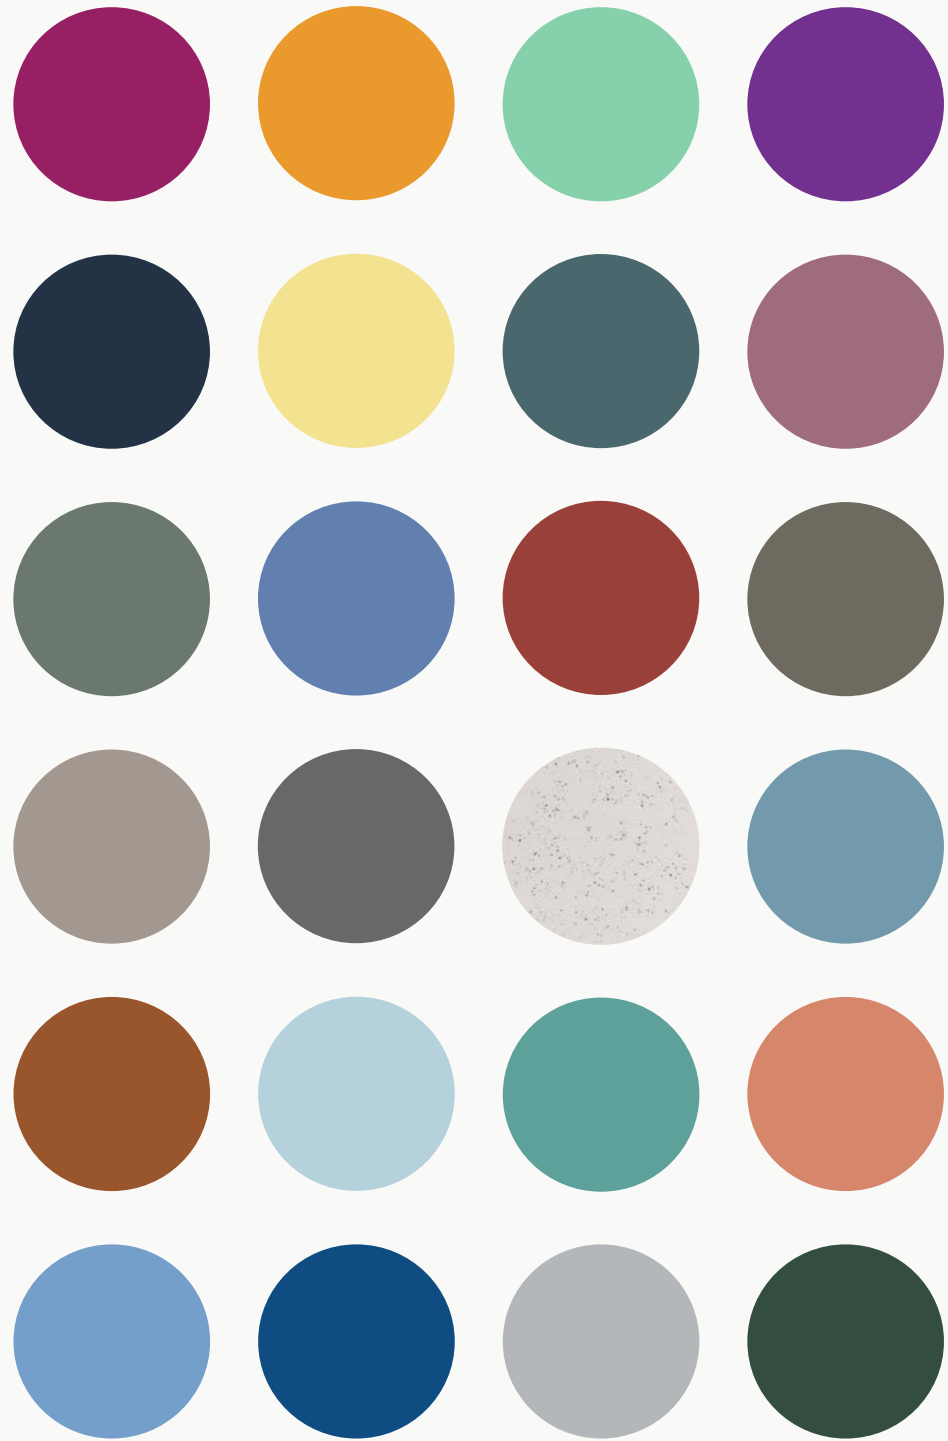

40+ Designs, 25+ Colors

Discover a world of possibility with Bloem's ever-expanding collection of planters and watering cans. From fresh new designs to our time-tested favorites, we offer over 40+ design styles and 25+ vibrant colors to suit every taste and space.

2025 COLOR OFFERING

Color is the Vibe

Color Me Inspired

A vibrant mix of new arrivals awaits, ready to inspire your perfect palette. Layer on the drama with bold pops of color or explore our rich, saturated hues for a touch of sophistication. These fresh colors are perfect for mixing and matching, allowing you to create a space that reflects your unique style. Let your color adventure begin!

Rooted in Strategy

At Bloem, we're constantly pushing boundaries with the latest colors, shapes, and designs – because we know that's what drives the market. But innovation for us goes beyond aesthetics.

We innovate to create value, not just trends. Our focus? Equipping you with the tools to attract and retain customers – from eye-catching planters to effective merchandising and a brand consumers trust.

Ignite Sales with Versatile Displays.

Our in-store displays and pallets showcase planters beautifully; enticing customers to browse. Designed for effortless product flow, they maximize your footprint and boost sales potential.

The Ocean Series

Every year, eight million tons of waste enters our oceans – often single use, disposable plastics. We saw the opportunity to create a beautiful product that keeps plastic out of our waters. We're turning ocean bound plastics and post-industrial recycled goods into vibrant, durable flower pots.

Made from 100% recycled plastic and available in a variety of colors, it's the planter that is guaranteed to grow good vibes.
