

SOUTHERN PATIO®

2025 Product Offering

About Southern Patio®

Since 1977, gardeners have turned to Southern Patio® for innovative, beautiful planters and décor inspiration for their home, both inside and outside. Over the past four decades, we have led the industry through its evolution from simple, affordable poly pots to today's innovative materials and designs.

Today, our planters integrate cutting-edge, lightweight materials that mimic expensive natural finishes. They also feature enhancements to promote plant health and make maintenance easier.

What Sets Us Apart

Industry trends and consumer insights fuel our everyday processes and have helped mold us into the leader within our industry. As we have evolved, we continue to expand our product offering to include outdoor décor from Wall Art to Wind Spinners and more.

Our distributors rely on our trustworthy customer service, innovative solutions and inspiring assortment to enhance their offering, year after year. Whether you are a gardener looking for projects or a distributor looking for the ideal partner, Southern Patio® strives to provide the very best products and experience to our customers.

ITEMS FOR 2025

12" Low and High Pineapple Planters

The Pineapple planters are a modern addition to Southern Patio's CMX collection, with a neutral coloration and a textured, geometric design. The planters can be displayed together to create a focal point in the yard or garden. Offered in two heights – 7.5" and 10.5", both in a 12" diameter.

Substrate: **CMX**

New Heritage Colorway – Neutral Gray

A Neutral Gray color variation of the Heritage planter, replacing the Climbing Ivy colorway, has been added for 2025. This change reflects the continued trend towards neutrals inside and outside of the home. The Neutral Gray Heritage planter is offered in 12", 15", and 18" diameter sizes.

ITEMS FOR 2025

8" Contemporary Planter with Stand – Available in Black and Concrete Colorways

The 8" Contemporary Planter with Stand is a sleek and modern raised planter offering. The planter's simple, yet sophisticated design is compatible with a range of interior styles. At an 8" diameter, this is the ideal planter for small houseplants, such as succulents and cacti. The 8" Contemporary Planter with Stand is available in both Black and Concrete colorways and is constructed with ceramic for long-term durability.

Substrate: **Ceramic**

16" Contemporary Planter with Stand – Available in Black and Concrete Colorways

The 16" Contemporary Planter with Stand is a sleek and modern raised planter offering. The planter's simple, yet sophisticated design is compatible with a range of interior styles. At a 16" diameter, this is the ideal planter for large houseplants, such as snake plants and fiddle leaf figs. The 16" Contemporary Planter with Stand is available in both Black and Concrete colorways and is constructed with CMX, making it durable, yet lightweight enough to move around the home.

Substrate: **CMX**

ITEMS FOR 2025

Giacomo Planter

The Giacomo planter combines a modern silhouette with a handmade finish to add visual interest to any space. The planter's terracotta coloration adds warmth and light to the home or garden, while still blending seamlessly with any decorating style or color palette. With a 16.75" diameter, the planter easily accommodates large houseplants, florals, and small bushes. Crafted with lightweight resin, the Giacomo planter is durable, yet easily movable.

Substrate: **Resin – Blow Mold**

Kai Planter

The 12.6" Kai planter is a perfect transitional piece between bohemian and modern décor. The planter's textured appearance paired with its structured silhouette nicely balances the design. The slender shape of the planter also makes it an ideal piece for entryways. Crafted with lightweight resin, the Kai planter is durable, yet easily movable.

Substrate: **Resin – Blow Mold**

New Colorways – Jackson Self-Watering Collection

The Jackson Self-Watering Collection has been refreshed for 2025, with two neutral colorways replacing the Agate Green and Stellar Blue colorways previously in the assortment. This change affects all of the round planters and the window boxes in the collection and also applies to the Jackson Self-Watering Planter Display.

Substrate: **Resin**

New Colorway – Westlake Collection

The Westlake Collection has been refreshed for 2025, updated with a zinc trim for a more modern look. This change affects all rounds in the collection as well as the square, hanging basket, and deck rail planters.

ITEMS FOR 2025

Updated Indoor Ceramic Display and Assortment

The Indoor Ceramic Display has been refreshed for 2025 with new designs and colorways. The 6” and 8” Emma planters and the 12” Collins in Oxblood have been removed from the display and assortment. The Ana planter has been updated with a solid gray colorway in all sizes – 6”, 8”, and 12”. Two new designs have been added as well – the Griffy and the Roman planters. The Griffy is offered in 6” and 8” diameter sizes and the Roman is offered in an 8” diameter size.

Pallet Offerings

Miami Bird Bath Pallet

The Miami Bird Bath in White has been removed from the pallet for 2025. The pallet is now split evenly among the Falling Blue and Falling Green colorways, with 6 of each included in the offering.

Substrate: **Ceramic**

Peyton Pallet

The Peyton Pallet features the Peyton planter design, a perfect combination of classic charm and modern flair. The blue patina finish of the Peyton adds visual interest to any yard or garden space. Two different diameter sizes are included with this pallet – 11.8” and 14.6”.

Substrate: **Ceramic**

Vedika Pallet

The Vedika Pallet features the Vedika planter in two colorways – a soft cream and a warm terracotta. These planters blend bohemian and modern décor with a ridged, textured design. All planters on the pallet are a 15” diameter size.

Substrate: **HDR**

Westlake Pallet

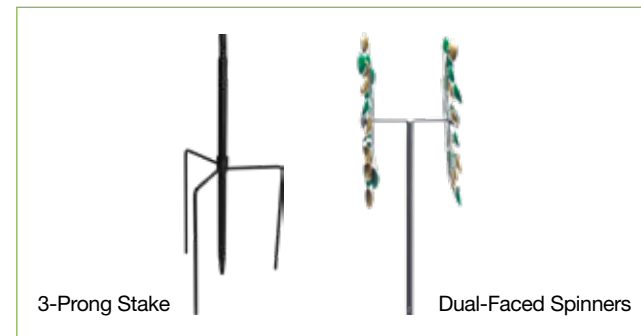

The Westlake pallet has been refreshed for 2025, updated with a zinc trim for a more modern look. The planter shapes and quantities on the pallet remain the same.
