## WHAT WE BELIEVE Central to Home

Home: a place of comfort, shelter and connection with the ones you love. No matter where it is, home is at the center of our lives.

At Central Garden & Pet, we provide innovative solutions to enhance anywhere you call home – from the house to the yard, from the stable to the city center. Our leading consumer and professional brands provide forward-thinking, high quality products to care for your lawn, garden, pets and community. We are committed to helping lawns growing greener, gardens bloom bigger, pets live healthier and communities growing stronger.

Our expertise and passion unite us in our purpose to nurture happy and healthy homes and we've made it our mission to lead the future of the Garden and Pet industries... one blade of grass and one wagging tail at a time.

**Home is central to life—we are Central to home.**

## OUR PURPOSE Nurture happy and healthy homes

The intention is to unite our employees in a common purpose beyond making money. Home is at the center of everything we do. We help consumers nurture happy and healthy homes through our brands and products – by helping them care for their pets, grow their gardens, and support their farms and communities.

## When it comes to fleas and ticks, mosquitoes and flies, pest prevention is key.

Did you know?

95% of fleas live in carpets, bedding, furniture and yards while only 5% live on the pet.

Flea and ticks can cause itching, inflammation, hair loss, tapeworms and Lyme disease. Mosquitoes can carry West Nile Virus, cause heartworm disease and other viral infections. With our innovative products, consumers are better prepared to protect their pets from these pests.

Save money and time with simple, effective solutions that protect your pet, home, and yard.

### ADAMS™

**Performance-proven triple line of defense against pests.**

For over 40 years, the Adams™ brand has protected your pet, home and yard from Fleas, Ticks, Mosquitos and more.

### Flys-Off®

**Fight Flies with effective over-the-counter treatments.**

Flies can be a big problem for dogs, especially in kennels, dog parks or dog runs. Flys-Off® products help protect dogs from annoying flies.

### ZODIAC®

**Effective and Affordable pest control.**

Protecting Pets from fleas, ticks and mosquitoes for over 40 years, the Zodiac® brand of products offers solutions at a savings.

### Flea Halt™!

**Protect dogs and their home with a fresh Citronella scent.**

Flea Halt™! products have been protecting dogs from fleas for years.

## HEALTH SOLUTIONS

### Health Solutions

In the past decade, the status of companion animals has risen in the US. Pets have achieved the status of family member whose health and well-being matters greatly to those who love them. Keeping pets healthy keeps owners healthy too. The pet-owner bond keeps both active, may reduce owners' blood pressure and stress levels, and elevates their mood.

### Effective over-the-counter treatments to support healthy pet skin.

Your dog's healthy skin is an important concern. When dogs engage in excessive scratching, it may indicate oily or dry flakiness, allergies, or hot spots. Support your pet's skin health with these Sulfodene® skin care products.

#### Sulfodene® Ear Cleaner Antiseptic FOR DOGS & CATS
