# THE GARDEN WEASEL® STORY

It started with *The Original* GARDEN WEASEL Rotary Cultivator in 1975. With its innovative rotating tines, it was a **breakthrough** in home gardening equipment. Today, the tradition is as strong as ever, with a growing assortment of high-quality products that **deliver day-in and day-out** for satisfied gardeners around the world.

## Why Garden Weasel?

- Trusted gardening brand for nearly 50 years
- Intelligent Designs
- Quality materials
- Focus on ergonomics
- Lifetime Warranty

**Smart, simple, ergonomically-designed tools that make gardening by hand easier than ever before.**

# THE GARDEN WEASEL® WAY

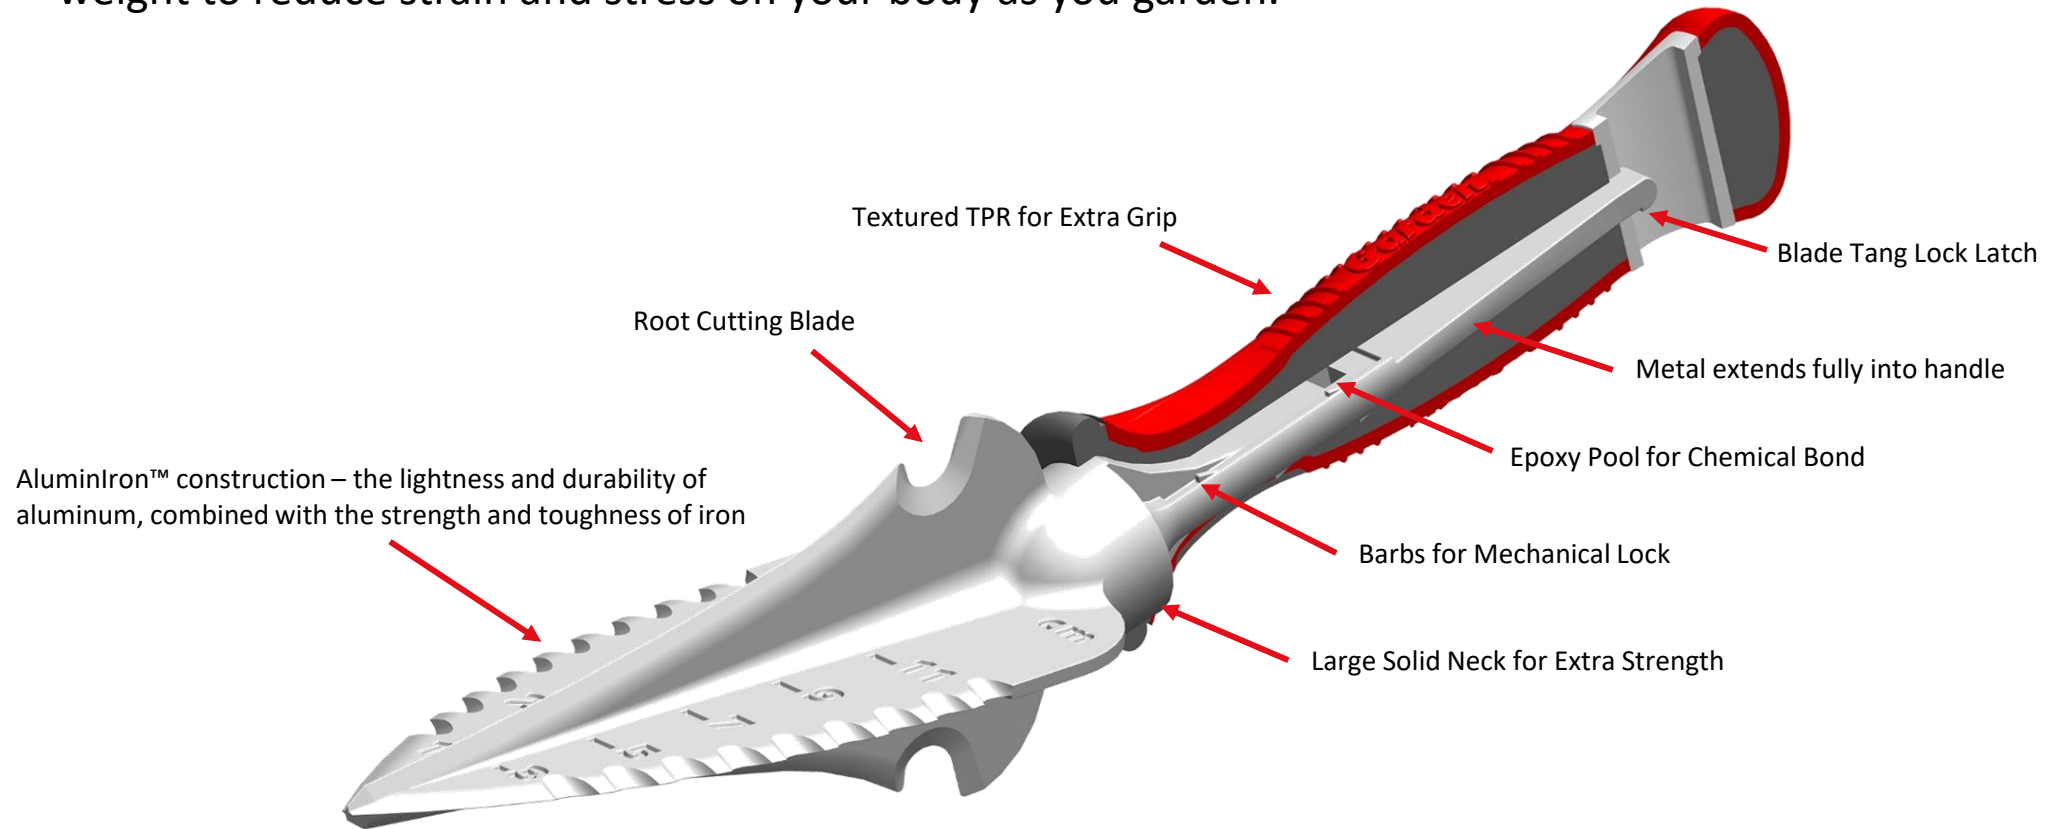

Gardening is a Labor of Love. Garden Weasel tools are intelligently designed to take the labor out of gardening and make it **easier**. Reducing fatigue, minimizing strain and stress, making the uncomfortable, comfortable.

# QUALITY ENGINEERED

- Full-length internal tang for ultimate durability and balanced weight to reduce strain and stress on your body as you garden.
