RM18®

Fast-Acting Weed & Grass Killer

When you want fast results with minimal prep, this is your total weed control solution for unwanted brush, broadleaf plants, and grass. Perfect for a variety of weed control uses around your home, Fast-Acting Weed & Grass Killer kills the weeds while leaving fertile soil available for the plants you want — any product not absorbed by the plant will deactivate after it touches the soil.

- A combination of 2 herbicides, glyphosate and diquat
- Produces visible wilting within 12-hours
- Concentrated formula kills weeds and grasses down to the root

737716754612		2 / 2.5 gal

NON-SELECTIVE HERBICIDE

84009-30

53.8% Glyphosate

A post-emergent, systemic herbicide with no soil residual activity. It is generally non-selective and gives broad-spectrum control of many annual weeds, perennial weeds, woody brush, and trees. It is formulated as a water-soluble liquid. It may be applied through most standard industrial or field-type sprayers after dilution and thorough mixing with water or other carriers according to label directions.

- Label includes directions for use in Roundup Ready crops, as well as tree, vine & shrub crops, other annual & perennial crops, and pastures
- Use around the home or farm to control annual and perennial weeds, woody brush, and trees
- Use with a nonionic surfactant
- Available in both Farm General & Compare-N-Save brands

Weed Killer for Lawns

Protect your lawn. Use Weed Killer for Lawns for beautiful, weed-free lawn around any home.

Use a hose-end sprayer and connect a hose, turn on the water and spray to kill unwanted broadleaf weeds in the lawn. Concentrated formula starts working immediately and is rainproof in 1 hour.

- Won't harm the lawn, guaranteed when used as directed
- For use in: Bahia, Common Bermuda, Bluegrass, Centipede, Fescue, Ryegrass, St. Augustine and Zoysia Grass
- Kills over 250 listed weeds
- 32 oz treats 8,000 sq ft;
64 oz treats 16,000 sq ft

UPC CODE #	ITEM	SIZE
737716754513	Compare-N-Save Weed Killer for Lawns	6 / 32 oz
737716754506		6 / 64 oz

SPRAY AID

Surfactant

Improve the wetting and spreading of spray solutions on leaf, stem or insect surfaces. The surface-active agents in these surfactants are suitable for use wherever a pesticide label recommends a surfactant, spreader or wetter. The general purpose surfactant also contains a defoamer to help suppress the formation of foam in your spray solutions.

- General purpose surfactant
- Use with insecticides, fungicides, acaricides, defoliant, dessiccants, PGR's and nutritionals

UPC CODE #	ITEM	SIZE
737716754803	Farm General 80/20 Surfactant	4 / 1 gal
737716754810	Farm General 90/10 Surfactant	2 / 2.5 gal
737716752960	Farm General 80/20 Surfactant	4 / 1 gal

SPRAY AID

Spray Indicator

Versatile, easy-to-use, and non-toxic, Spray Indicator is a no brainer to add as a colorant for turf, ornamental, and other applications of liquid pesticides and fertilizers.

Spray Indicator shows applicators where they have sprayed and will help avoid costly oversprays and skips. The blue colorant dissipates quickly in wet and dry weather and mixes completely with water soluble pesticides and fertilizers without affecting chemical efficacy.

- Easy-to-use and non-toxic colorant
- Will not affect chemical efficacy

UPC CODE #	ITEM	SIZE
737716752953	Farm General Spray Indicator	12 / 32 oz

SPRAY AID

Defoamer

Make chemical applications more efficient by adding Defoamer to your tank mix. Eliminate the need to stop spraying and add more defoamer by using Defoamer as an antifoaming agent during the mixing process. Use Defoamer with any tank mix and any active ingredient for the control of unwanted foam.

- Knock down foam quickly
- Reduce foam reformation during mixing and spraying

UPC CODE #	ITEM	SIZE
737716752946	Farm General Defoamer	12 / 16 oz

SPRAY AID

Tank Cleaner

Reduce or eliminate residues from pesticides in mix tanks by thorough cleaning with a tank cleaner from one tank mix to the next. Extend the lifetime of seals and other soft parts in equipment and lines. Use with all active ingredients. Tank cleaners have an extremely alkaline pH, which helps dissolve acid active ingredients more efficiently and works well with sulfonylurea herbicides, both of which are particularly stubborn when being cleaned from a tank.

- Available in 2 formulas, powder or liquid

UPC CODE #	ITEM	SIZE
737716752502	Farm General Spray Tank Cleaner	12 / 32 oz
737716752939	Farm General Liquid Tank Cleaner	12 / 32 oz

AQUATIC USE

Pond Dye

A pleasing blue hue. Water-soluble pond colorant designed to beautify lakes, ponds, and decorative water features. Transform murky, cloudy, and off-color water within a few hours. Just pour around the edges — its pleasing blue hue disperses quickly and evenly. Treated water may be used for swimming, fishing, and irrigation within hours.

- Tints lake and pond water a pleasing blue hue
- Easy to apply: just pour around the edges
- Concentrated: 1 Gal. of colorant treats 1.25 million gallons of water

UPC CODE #	ITEM	SIZE
737716753790	Farm General Pond Dye	2 / 2.5 gal

AQUATIC USE

84009-30

Aquatic Herbicide

Kill grass and weeds — in and around water. Free ponds, lakes, and streams from invasive cattails, alligator weed, beach-grass, cordgrass, and several invasive native and non-native plants. When used as directed, this broad-spectrum post-emergent weed killer eliminates targeted weeds down to the root while leaving soil and wildlife unharmed. Perfect for use in bodies of fresh and brackish water.

- Can be tank-mixed with other products for residual control
- This product does not control plants with foliage that is are completely or mostly underwater.
- Application rates vary and range from 0.7 to 2.0 fl oz per gallon for most applications

UPC CODE #	ITEM	SIZE
737716752984	Farm General Aquatic Herbicide	4 / 1 gal
