## COMPLETE SCIENTIFICALLY DESIGNED SYSTEM

All forms of Pest Wizard® *MessyLess Adhesive™* traps and pheromone lures are scientifically designed and tested to be combined in a variety of ways as a **Completely Integrated System.**

Extensive field tests of Pest Wizard® rectangle card traps have demonstrated their colors and reflectance are very attractive to a broad spectrum of indigenous and invasive insect pests.

YELLOW STICKY TRAPS

GREEN STICKY TRAPS

BLUE/YELLOW STICKY TRAPS

When pheromone lures are attached to these **High Capture Rate** traps, they become narrowly selective systems for trapping out and monitoring specifically targeted species.

SCALE STICKY TRAPS

When any Pest Wizard® *MessyLess Adhesive™* card or delta trap or trap liner becomes saturated before the lure life expires, that lure can be moved to a fresh Pest Wizard® trap or liner.

## BUGS IN THE PANTRY?™

Attracts and kills several species of moths and beetles that infest stored food and pet food. The traps come in 6 decorative designs. Each trap kit includes 2 90-day lures and 2 replaceable sticky liners. When a liner is 75% full of bugs, move the lure to a fresh liner and keep going. Sold in cases of 6 assorted colors.
