Plant Connection Claims Policy: All shipping claims must be filed within 24 hours of receipt of goods from the carrier. Please note any damages due to carrier mis-handling and/or extreme weather conditions. All claims due to quality or shortages must be filed within 72 hours of receipt of goods from the carrier. Please contact the Plant Connection office at 800-883-0234 or your Plant Connection sales rep to place all claims. Failure to follow these steps may void your credit claim. Taking photos of the damaged material, while not required by each vendor, is an excellent way to support your claim

Warranties: As BFG acts exclusively as a broker for the vendors, and is not responsible in any way for the quality of the product or shipping the product to you, all warranties shall be the sole responsibility of the vendor and subject to the terms stated in any warranties supplied by any vendor to you. BFG makes no other warranty of any kind, express or implied, including any warranty of fitness of the product for any particular purpose (even if that purpose is known to BFG).

Disclaimer: The BFG Plant Connection ("BFG") acts exclusively as a broker for the vendors, and is, therefore not responsible in any way for the quality of the product or shipping the product to you. Accordingly, while BFG makes every attempt to insure your order is processed in a timely manner, we cannot be held responsible for the quality, condition or timeliness of your order, or for situations outside of our control. Under no circumstances shall BFG be liable for any damages to you relating to your order, and specifically disclaims any damages to you, including but not limited to actual damages, special, incidental, indirect or consequential damages, loss of crops or any profit."

Please note that BFG's standard terms and conditions apply to any order.

Ordering Information

Season Dates: Week 18-30

Tray size: 51 Count Tray (Split 102)

Minimum Order: 600 plants per shipment

Below min charge: If it is necessary to order less than 600 plants per shipment, a \$12.00 charge will be applied.

Availability: Live on website every day at: <http://epicas.dscolegrowers.com/>

Tags: Customers can now opt-out of the tag program. Orders that do not receive tags will not be charged for the tags. Note that Tags can only be removed from the entire order, not by line item. All orders will be shipped with tags unless otherwise specified by the customer or sales rep.

Royalties: Royalties are included in the price of the plant where applicable

Late orders: We define "late orders" as those orders that we receive any day of the week prior to the shipping week. This also includes those orders received by Noon on Monday of the actual ship week. We do not charge a "below minimum charge" on these orders.

Lead Time for Cancellations/Additions:

- Any additions, deletions or changes to existing orders must happen by Wednesday 11:59 PM of the week prior to the ship week.
- No cancellations after the product has been stuck.

Filling boxes: We have several box sizes available to make most combinations of varieties fit well without wasted space. In general, it is best for an entire shipment to total numbers in even hundreds, rather than 50's. For example, space is typically better utilized when the plant quantity is 1200, 1300 or 1400 rather than 1250, 1350 or 1450.

Shipping Options: Grower Truck, Air Freight, Pick Up

- **Air Freight:** From Manchester, NH, via: Southwest; from Boston, MA, via: US Airways, United or Delta

- **Grower Truck:** Be advised all truck schedules are subject to adequate volume per area per week. Charges per zones apply. Please contact your BFG sales rep for a freight estimate.

Grower Truck Charges

Zone A: \$194.70 (30 tray minimum)

Zone B, C, D, H: \$230.01 (30 tray minimum)

Zone E, F, I: \$348.01 (64 tray minimum)

Zone G, J: \$466.01 (80 tray minimum)

- **Pickup:** Monday-Friday 9am-4pm please call one week ahead to arrange a pickup time.

Prices/Terms: Subject to change.

Claims: Must be submitted within 2 days upon receipt of product. This includes quality claims as well as freight and mishandling issues. It is important to provide photos of the plants if there are problems. This helps us understand the issue.
