Plant Connection Claims Policy: All shipping claims must be filed within 24 hours of receipt of goods from the carrier. Please note any damages due to carrier mis-handling and/or extreme weather conditions. All claims due to quality or shortages must be filed within 72 hours of receipt of goods from the carrier. Please contact the Plant Connection office at 800-883-0234 or your Plant Connection sales rep to place all claims. Failure to follow these steps may void your credit claim. Taking photos of the damaged material, while not required by each vendor, is an excellent way to support your claim

Warranties: As BFG acts exclusively as a broker for the vendors, and is not responsible in any way for the quality of the product or shipping the product to you, all warranties shall be the sole responsibility of the vendor and subject to the terms stated in any warranties supplied by any vendor to you. BFG makes no other warranty of any kind, express or implied, including any warranty of fitness of the product for any particular purpose (even if that purpose is known to BFG).

Disclaimer: The BFG Plant Connection ("BFG") acts exclusively as a broker for the vendors, and is, therefore not responsible in any way for the quality of the product or shipping the product to you. Accordingly, while BFG makes every attempt to insure your order is processed in a timely manner, we cannot be held responsible for the quality, condition or timeliness of your order, or for situations outside of our control. Under no circumstances shall BFG be liable for any damages to you relating to your order, and specifically disclaims any damages to you, including but not limited to actual damages, special, incidental, indirect or consequential damages, loss of crops or any profit."

Please note that BFG's standard terms and conditions apply to any order.

D.S. Cole Ordering Information

Minimum Order: 600 plants

- If necessary to order less than 600 plants per shipment, a \$12.00 charge will be applied

Tray size: A) "Strip tray 50" are shipped and billed as 50 cells, includes some Begonias, Geraniums, Alstroemeria, Patio Gerbera and Helleborus. B) 51 count trays are shipped as 51 cells and billed as 50. C) Super 50 Tray are shipped and billed as 50. D) 32 count trays are shipped and billed as 32. E) Lin 25, 25-Count are shipped and billed as 25.

Pre-finished product: Orders for pre-finished crops such as potted Citronella, Cyclamen, Fuchsia or Mums must be on an order separate from liners.

Tags: Customers can now opt-out of the tag program. Orders that do not receive tags will not be charged for the tags. Note that Tags can only be removed from the entire order, not per by line item. All orders will be shipped with tags unless otherwise specified by the customer or sales rep.

Royalties: Royalties are included in the price of the plant where applicable

Lead Time for Cancellations/Additions: Any additions, deletions or changes to existing orders must happen by Wednesday 11:59 PM of the week prior to the ship week.

Filling Boxes: D.S. Cole has a number of box sizes available to make most combinations of varieties fit well without wasted space. It is best for an entire shipment to total numbers in even hundreds, rather than 50's.

Packing Charge: \$3.16 per 100 cells. Charges will apply any time boxing is needed including customer pickup and truck deliveries if boxing is required.

Multi-liner Format (Trixi, Kwik Kombos, Durabellas etc.): The components are stuck individually, each in their own cell and then shipped together with its appropriate multiliner tag. DS Cole Growers does not stick 3 cuttings in the same cell to create a multi-liner. Kits are shipped with a 50 or 51 count tray of each component to make up the full kit assortment.

Claims: Must be submitted within 2 days upon receipt of product. This includes quality claims as well as freight and mishandling issues. It is important to provide photos of the plants if there are problems. This helps us understand the issue.

2024-2025 D.S. Cole Drops
