Plant Connection Claims Policy: All shipping claims must be filed within 24 hours of receipt of goods from the carrier. Please note any damages due to carrier mis-handling and/or extreme weather conditions. All claims due to quality or shortages must be filed within 72 hours of receipt of goods from the carrier. Please contact the Plant Connection office at 800-883-0234 or your Plant Connection sales rep to place all claims. Failure to follow these steps may void your credit claim. Taking photos of the damaged material, while not required by each vendor, is an excellent way to support your claim

Warranties: As BFG acts exclusively as a broker for the vendors, and is not responsible in any way for the quality of the product or shipping the product to you, all warranties shall be the sole responsibility of the vendor and subject to the terms stated in any warranties supplied by any vendor to you. BFG makes no other warranty of any kind, express or implied, including any warranty of fitness of the product for any particular purpose (even if that purpose is known to BFG).

Disclaimer: The BFG Plant Connection ("BFG") acts exclusively as a broker for the vendors, and is, therefore not responsible in any way for the quality of the product or shipping the product to you. Accordingly, while BFG makes every attempt to insure your order is processed in a timely manner, we cannot be held responsible for the quality, condition or timeliness of your order, or for situations outside of our control. Under no circumstances shall BFG be liable for any damages to you relating to your order, and specifically disclaims any damages to you, including but not limited to actual damages, special, incidental, indirect or consequential damages, loss of crops or any profit."

Please note that BFG's standard terms and conditions apply to any order.

Ordering Information

Minimum Order: While no minimum amounts are required to place an order, any orders under \$250 (product only) will have a \$25 small pack fee.

Trays Per Box: Boxing will vary depending on the size of the product.

Lead Time for Cancellations/ Additions:

- Most cancellations will not be accepted within 3 weeks before ship date. If we do allow the cancellation of an order within the 3-week period or if a shipment is refused after it's been shipped a 25% restocking fee will be applied.
- Please request NO Subs if you do not want Leo Berbee to substitute for unavailable items.

Combination of Orders: Leo Berbee will not be able to combine orders. Ship Week requests will be reviewed and orders may ship at the same time, but they will be considered separate orders with separate freight charges. If it is imperative that orders ship together, please add new items to the existing order, provided it is within a reasonable time before shipping

Pre-Cooled Orders:

Our Precooled 5C Program is a service at no extra charge, but we have a few requirements for participation in this program:

- In mid-July, we will ask you to review and confirm your precooled order.
- August 1 is the deadline to change or cancel your pre-cooled order. Cancellations after 8/1/25 will incur a 25% restocking fee. Cancellations after 9/1/25 will incur a 50% restocking fee.
- In the beginning of October all bulbs will be placed in the cooler, at which time you will be charged for the product plus shipping (15% of the total, \$20 minimum).
- Ship Week may be requested for your precooled bulbs. Ship Dates will be available 11/10/25 - 2/2/26.

Possible Additional Fees: Should tariffs, duties, or import fees increase, the cost will be passed on to the customer. These charges are beyond our control and imposed by government authorities. We will inform you promptly if they apply. Fees would not be added to product pricing but as a line item on invoices.

Shipping Information:

- Leo Berbee will ship all orders via UPS. In unique situations they can ship LTL Truck or Fed-Ex.
- Shipping crates: \$5.68, Winter Pack: \$1.14
