

BFG SUPPLY IMAGE REQUIREMENTS

Please send any **NEW** or **UPDATED** product images over!

If the files are too big to email please try Dropbox or WeTransfer.

Below are the image requirements.

- JPG
- RGB
- Minimum of 300dpi, 7in x 7in (2100px x 2100px)
- White background
- Individual product images, not as groupings
- Images clearly labeled with **ONLY** your product numbers (this is very important as it allows the quickest and most accurate image processing)

Please send to marketing@bfgsupply.com
