Shepherd Hooks

841164D

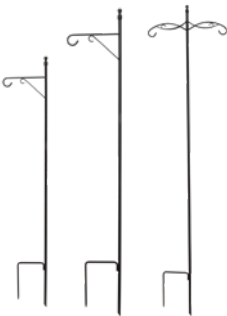

Gilbert & Bennett™ shepherd hooks are made from tubular steel rods and are engineered for maximum strength. The tubular design also helps to prevent bending under standard planter weights, compared to traditional forged rods. Each hook is powder coated with black paint to help resist rust. These hooks are ideal for displaying plants, birdhouses, wind chimes, lanterns, insect control devices and more.

Classic Shepherd Hooks

Designed in the classic style with a shepherd's crook for basic hanging baskets and planters, these hooks support up to 10 pounds of weight and up to 14-inch hanging baskets. The double hook supports up to 15 pounds total weight (maximum 10 pounds per side).
