# PLASTIC FENCING PRODUCTS

Manufactured and distributed by Midwest Air Technologies, Inc., Yard Gard® plastic fence products can be found in home improvement centers, mass retailers, hardware and farm supply retailers, and wholesale distributor across North America. Yard Gard® is a brand that people trust.

Yard Gard® plastic fencing has unique properties making it a great choice for construction, garden, agricultural, and containment applications. Plastic fencing is an alternative to metal fencing solutions with the following benefits:

- Economical
- Lightweight for easier transport and handling
- Easy to install and tear down
- High visibility and landscape blending colors
- Rust, rot, and corrosion resistant
- UV resistant
