Measuring only 36" wide by 20" deep with full color signage on top. This small footprint display shows six collections in the space normally occupied by just two assortments.

The versatile Garden Stake Rectangular Display can be used against a wall, on an end-cap or free standing. Place two units back-to-back for a 360° walk around display.

Each assortment comes with a FREE Garden Stake Rectangular Display, a \$175 value.

Five of Regal's Top selling hanging solar light collections. (21 Styles) shown together in one attractive display.

This small footprint display measures only 24" wide by 24" deep and comes with full color signage on top. It displays more inventory and yields more \$/sq. ft. than regular displayers, merchandising six collections in a space that is normally occupied by just two assortments.

Hang multiple styles of solar lanterns from the top grid. Showcasing product out of the box allows customers to see, touch and feel the beauty of the colored glass. The bulk of inventory can be displayed in their color boxes for customers to "grab and go" from the four adjustable shelves. This means less re-boxing at checkout and the product stays protected.

The Hanging Square Display can be used against a wall or free standing, giving your customers a 360° walk around shopping experience.

PRECISION-TUNED DESIGNER WIND CHIMES

WHAT IS PRECISION-TUNED?

Precision-tuned, hand-tuned, or musically tuned is a method of hand-tuning or grinding every tube to be within 15 cents (approx. 15%) of the exact pitch of each musical note by using an electronic tuner. Regal's Precision-Tuned chimes are made using this process to deliver a premium sound experience.

A wind chime that's advertised simply as a "tuned" chime, varies in sound due to production inconsistencies in the tube. Such chimes may be less expensive, but the sound experience pales in comparison to precision-tuned chimes.

All Precision-Tuned Wind Chimes come packaged in a craft-style gift box with a color label noting the tune.

SHIPPING

REQUESTED SHIP DATE: A requested ship date indicates the desired date at which time Regal will ship merchandise. Regal reserves the right to ship the product within a reasonable time (5-7 days) before or after the requested ship date. If you do not wish your order shipped prior to the requested ship date or slightly after, this must be clearly indicated on the order.

EVERYDAY FREIGHT CAP is 20% on orders over \$1,000, and 25% on orders under \$1,000. Freight caps are based on the wholesale value before Opportunity Buy or other discounts and shipped within the continental United States. This means freight charges over the freight cap are paid by Regal.

CONTINENTAL US: We ship via **UPS Ground** (unless otherwise specified) from our distribution center in **Olathe, KS 66062**. Normal shipping time is 2-3 days from receipt of order. Larger orders may be shipped by common carrier truck. Specify if lift gate is required.

INTERNATIONAL: All International orders must provide a freight forwarder address located within the United States. All orders for CANADA must be placed and shipped through the Regal Distributor in Canada.

CLAIMS

All claims must be made within 10 days of receipt of shipment. Please check your order immediately upon receipt. To report a claim: call **800-681-3040 ext. 3**, email: claims@regalgift.com, or submit online at regalgift.com.

Damages in Shipment. You must write 'DAMAGED' when signing for a shipment. Retain the damaged items and the interior and exterior packing cartons for inspection by the carrier who may require this verification for processing the claim. Take photos and send them to claims@regalgift.com and our customer service department will help in processing the damage claim with the carrier.

Defective or damaged product, shortages or incorrect items sent. Regal Art & Gift merchandise is handcrafted so there will naturally be some variations in color, texture and finish, as well as slight irregularities. These are not considered flaws or defects. If however there is clearly a manufacturer's defect or damaged part, Regal stands behind the quality of all our products and **will issue merchandise credits or replacements upon submission of photo proof.**

RETURNS

Returns must have prior approval from our office in the form of a Return Authorization Number which must be written on the outside of all shipping cartons. **A 20% restocking fee plus freight charges** will be deducted from the credit, except in the case of our error. Returned merchandise must be in perfect salable condition, in the original packaging with no retail price stickers on them. Final credit amount is contingent upon the condition of goods when received.
