

Poultry Feeders

Poultry Feeders

Canadian Made Backyard Poultry Products

Plastic Poultry Feeder
Our plastic hanging poultry feeders use 3 adjustable metal clips to hold the pan to the tube, and to allow for 5 different feed flow rates. Pan is plastic; handle and clips are metal.

- #PHF6 - 6 lb capacity
- #PHF17 - 17 lb capacity
- #P25HF - 25 lb capacity

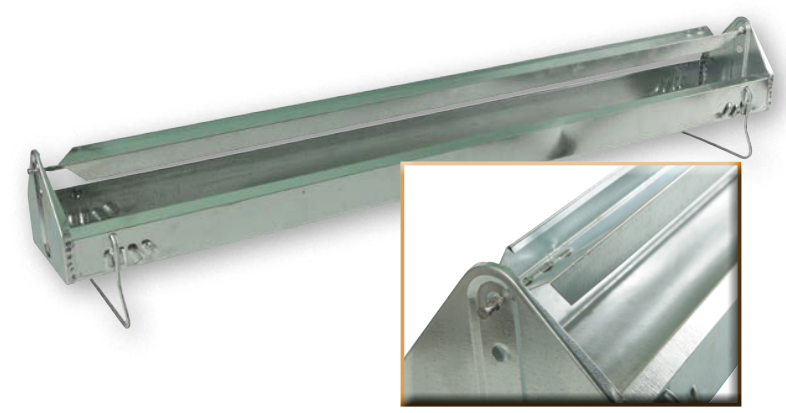

Galvanized Poultry Feeder
The galvanized hanging poultry feeders use 3 adjustable metal clips to hold the pan to the tube, and to allow for 5 different feed flow rates.

- #25HF - 25 lb capacity
- #50HF - 50 lb capacity

Reel-Top Poultry Feeders
Reel-top poultry fountains are the perfect solution for keeping poultry from sitting in or on top of feed. The 3/8" lip prevents waste and, as a result, keeps feed clean.

- #12F - 12" length, galvanized
- #24F - 24" length, galvanized
- #36F - 36" length, galvanized
- #48F - 48" length, galvanized
- #P24F - 24" length, poly

Galvanized Chick Feeder

The 6" diameter, galvanized baby chick feeders have an easily removable top and can be used for dry feed or water.

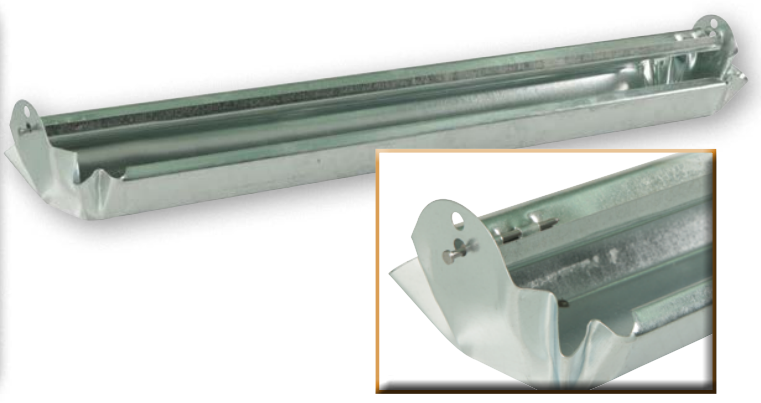

#6R - 6" diameter

Slide-Top Poultry Feeders

Slide-top poultry fountains are the perfect way to feed a flock of growing chicks. The top removes for easy refilling.

- #12ST - 12" length
- #24ST - 24" length

Accessories

Poultry Fountains

Poultry Accessories

Double-Wall Cone-Top Galvanized Poultry Fountains

Our galvanized, double-wall poultry fountains' unique design uses vacuum to maintain constant water level. The cone-shaped top prevents roosting. Joints are rolled, instead of soldered to create tight fitting seams.

- #2G - 2 Gallon capacity
- #3G - 3 Gallon capacity
- #5G - 5 Gallon capacity
- #8G - 8 Gallon capacity

New Spring Design!

Poultry Feeder / Waterer Platform

This plastic platform keeps feeders and waterers 3" above floor level, reducing the amount of litter in your feeders and fountains.

#P-STAND04 - Poultry Feeder / Waterer Platform

2 1/4" High x 20 1/2" Diameter

Automatic Poultry Fountains

Rust-proof, dent-proof, and easy to refill and clean, the Farm-Tuff poultry fountain easily waters small chicks or full-grown birds.

#MFP-P - Base Tray for MJP-QT (Sold Separately) Packed 24

#TF92 - 1 Gallon Poultry Waterer
Plastic screw-together design
#TF92 fountain includes base and jar

Easy Fill Poultry Fountain

Farm-Tuff easy-fill fountains feature a funnel style fountain bottom, allowing for convenient filling of the fountain without removing the base.

#P3G - Poultry Fountain
3 Gallon capacity

#P5G - Poultry Fountain
5 Gallon capacity

Automatic Hanging Poultry Fountain

The hanging poultry fountain automatically ensures a constant water level at all times.

#BBW06

Works with high pressure

Top-Fill Poultry Fountains

These plastic poultry and game bird waterers are rust proof, dent proof and easy to fill. Sturdy construction and a rugged handle ensures long-lasting performance. The polyethylene water jug snaps easily into the base and a vacuum-sealed cap controls the automatic water flow.

#P3G04 - 3 Gal. / 2.4 Imp Gal. / 11.36 L

#P5G04 - 5 Gal. / 4 Imp Gal. / 18.93 L

#P7G04 - 7 Gal. / 5.6 Imp Gal. / 26 1/2 L

Improved Design!

We've incorporated a new cap design that is sturdier and more impact-resistant than previous models!

3 Gallon Game and Bird Range Waterer

Our durable plastic game and bird range waterers are rust proof, dent proof and easy to fill. Sturdy construction and a rugged handle ensures long-lasting performance. The polyethylene water jug snaps easily into the base and a vacuum-sealed cap controls the automatic water flow.

#RW-3G - 3 Gallon

Poly Feeder Base

This new feeder base is made in Canada from high impact poly propylene and fits 1 quart mason jars. Available in four different colours.

#50095-G

Poultry & Game Bird Starter Kit

The poultry and game starter kit includes all the basic necessities for caring for a new flock of poultry. Jump start your hobby with this handy all-in-one kit.

#07477 - Includes #R2004 chick feeder, #TF92 waterer and #2QTP feed scoop

Poultry Drinker Nipples - 4 pack

Our easy to install, verticle mounted, gravity feed drinker nipples can be used to create a poultry watering device from an ordinary plastic bucket or PVC pipe and accomodate 5-10 birds per nipple. Our nipples are made from stainless steel with a delrin body.

#PDN

Plastic Feed Scoops

Rust and dent-free, a plastic scoop is the economical solution for hobbyists and for light-duty use.

#2QTP - 1 1/2 Quart Plastic Feed Scoop

#4QTP - 3 Quart Plastic Feed Scoop

Metal Feed Scoops

Couple the sturdy, galvanized construction with the large, easy-grip handle and you have a long lasting, heavy-duty feed scoop.

#2QT - 2 Quart Metal Feed Scoop

#4QT - 4 Quart Metal Feed Scoop

#6QT - 5 Quart Metal Feed Scoop
