Cultivating the gardening lifestyle

At Yard Butler, we believe that anyone who likes plants or soil is a gardener. Got a succulent on your desk? You're a gardener. An orchard of fruit trees? Gardener. A hanging basket on your balcony? Gardener. Plots of vegetables as far as the eye can see? You guessed it: gardener!

No matter what type of gardener they are, our customers know the satisfaction that comes with helping life grow. Dirty gloves, muddy knees, and a full, proud heart – that's what we all have in common. And turns out, there are a lot of us! Our growing passion (pun intended) is cultivating a community of authentic, passionate gardeners so we can all share in the joy of America's favorite pastime together.

Throughout the last year, we have found immense gratitude for the hobbies, work, friends and family that keep us grounded in uncertain times. A few hundred hours later, we've found that gardening is simply as grounding as it gets. It nourishes the soul, delivers solace and patience, and offers an opportunity to give back - to people and to the planet. That's why **we're on a mission to bring together a vibrant community of like-minded people who recognize that gardening is a way of life, and to give them the tools and knowledge they need to make their gardening dreams a reality.**

"I feel so lucky that we have a company that can tangibly improve people's lives. Gardening promotes the best values, like sustainability and patience and innovation, and it brings healing to people and the planet." – Dan Wright, President

Our promise is therefore to innovate, design, and produce the best products imaginable so our community always has the right implement for their lawn and gardening jobs. With our strong, quality tools in hand, we're proud to make gardening easier and more accessible for people everywhere.

It's also made more sustainable. The way we see it, we're in the business of planetary love. Bountiful, beautiful gardens depend on a healthy planet, so we do our part to care for both. Our tools and hose reels don't wind up in the landfill after a single season. Instead, they are built to withstand years of hard, outdoor work. We even offer replacement parts to extend their life.

As we round the corner to a brighter future, we're excited to continue delivering outstanding products that enable your customers to embrace the gardening lifestyle. We look forward to cultivating this community together.

New Hose Storage Products.

NEW PRODUCTS

Texas Star Wall Mounted Hose Hanger

New Star design makes a statement in your yard and our patented metal hose hanger design prevents sagging, eliminates kinks and tangles, and keeps hoses neat and tidy. This makes hoses last longer and work better. Powder coated steel hanger is built to last.

Wire Basket Wall Mounted Hose Hanger

There's a reason that millions of hoses hang from our hose hangers: they're the best. New basket design adds a decorative element to your yard and our patented design prevents sagging, eliminates kinks and tangles, and keeps hoses neat and tidy. This means your water flows easily and your hose lasts longer. Finally, you can focus on your garden instead of battling your wild hose.

Handy Reel XL

The Yard Butler Handy Reel XL provides a cost effective method for safely storing up to 100 feet of 5/8 inch hose. Can be wall-mounted or used on the ground for maximum portability. All steel construction with a powder coat finish that will stand up to years of outdoor use.

Rust Proof Hose Hanger

The Yard Butler Rust Proof Hose Hanger's design holds the weight without sagging. And the galvanized steel tube will not rust. The perfect choice for any yard, workshop or marine application near the ocean or any environment where rust is a problem. It also works great for organizing electrical cords, air hoses, or anything else that needs to be coiled for storage.

Free Standing Hose Hanger

The Yard Butler Free Standing Hose Hanger's patented design is double braced to hold all your hose without sagging. Store your hoses in the most convenient locations, near gardens, planting beds, stables or anywhere else hoses are frequently used.

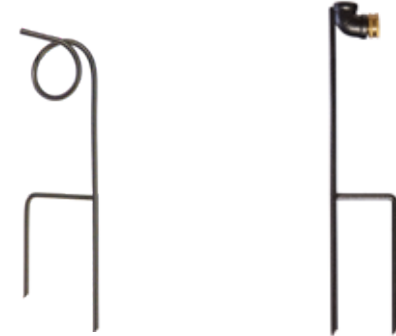

Free Standing Hanger with Faucet

Select the Free Standing Hose Hanger with Faucet to create a remote watering station. Mount both in concrete for best results.

Keep your yard tidy and extend the life of your hose

Hose Guide

Once installed, the unique design allows garden hoses to be easily threaded and unthreaded without removing Plant Saver from the ground, preventing damage to your expensive flowers and shrubs.

Step Spike Sprinkler Stand

The Yard Butler Step Spike Sprinkler Stand's dual spikes are perfect for hillsides or other rough or uneven terrain. It lifts the sprinkler head 10 inches above the ground and over most ground cover or plants. Accommodates any 1/2 inch sprinkler head.

Ring Base Sprinkler Stand

A 15 inch diameter base makes this the most stable, portable impulse sprinkler base on the market. Available for 1/2 inch and 3/4 inch heads.

Hose Bib Extender

The Hose Bib Extender creates a convenient remote water faucet. Deliver water to the most convenient locations. Great for moving hose bibs from behind plants and shrubs and placing the faucet within easy reach.

Our hose trucks.

Hose Truck Compact

This handy 2 wheeled hose truck is perfect for the home gardener holding up to 100 feet of 5/8 inch hose. Built with quality, innovation and economy in mind, it's the perfect promotional addition to our expanding hose storage line-up.

Hose Truck 2 Wheeled

The rugged all-terrain Hose Truck goes anywhere on two durable pneumatic wheels and holds up to 200 feet of hose.

Hose Truck 4 Wheeled

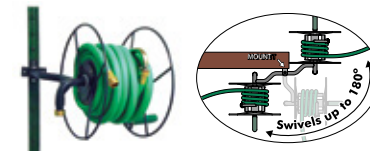

At 400 feet of capacity, this heavy duty hose truck holds as much hose as you could want. Great in commercial and agricultural settings.

Hose Truck Easy Turn™

This hose truck's design features a front wagon wheel that turns easily on all surfaces and terrain. It holds up to 400 feet of 5/8" hose and conveniently stores and transports heavy hoses to any location. It's easy maneuverability makes this hose reel ideal for commercial use!

Hose Storage Solutions.

Swivel Reel Mighty Reel™

The Mighty Reel is a low profile, durable all steel hose reel that will keep your yard uncluttered and add years to the life of your hoses. Unlike other wall mounted hose reels that are fixed in a single position, the Mighty Reel swivels to both parallel and perpendicular positions. Improved Mount design allows for additional "T" Post mounting capability. The generous 75' capacity easily accommodates most standard lengths of 5/8" hose.

Swivel Reel Wall Mount™

The Wall Mounted Swivel Reel provides a tidy method for safely storing up to 100 feet of 5/8 inch hose. Fully assembled; ready to mount to any wall or solid surface. 4 lag bolts included. Swivel wall-mount design swings 180 degrees for easy winding and unwinding.

Swivel Reel Free Standing™ & Patio Base™

Great for storing hoses near gardens, planting beds, stables or anywhere else hoses are frequently used. The unique free standing swiveling turret design of the Yard Butler Free Standing and Patio Base Swivel Reel can rotate 360 degrees and hold up to 200 feet of 5/8 inch hose, making it capable of delivering water anywhere within a total coverage area of over 3 acres! We have also added a 360° directional lock to further enhance ease of use and functionality.

Innovative tools, built for life

Step Edger

A uniquely designed blade and long handle make edging far easier and more effective. Step perpendicular to cut straight down, or position your foot sideways for a rocking motion.

Spike Aerator

Four heavy duty spikes loosen compacted soil and penetrate thatch, allowing deep watering for greener, healthier lawns.

Twist Tiller

Tilling allows for easy weeding and promotes the saturation of water, air and fertilizer for healthier plants. The unique twisted tines quickly work the ground making amending the soil and mixing compost a breeze.

Deep Root Irrigator

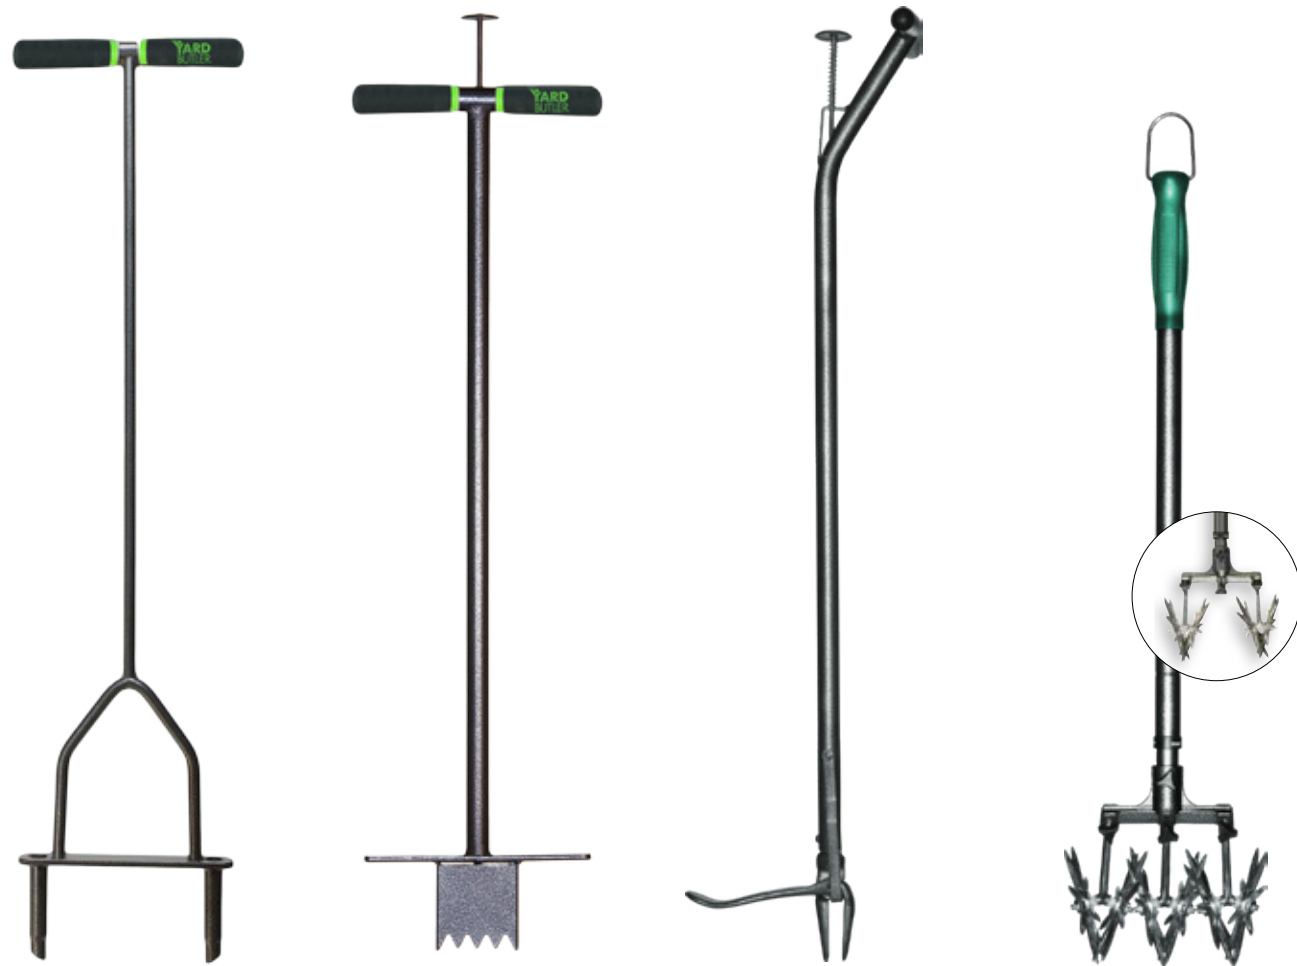

Deliver water straight to the roots of trees and shrubs with this multipurpose tool. Saves water and money eliminating runoff and evaporation. It also has dozens of other uses as an affordable water blaster.

yardbutler.com

Yes. There's an easier way to garden.

Core Aerator

Two self-ejecting tips remove cores ½ inch in diameter and 3½ inches long. Promotes vigorous root growth in lawns by reducing thatch and soil compaction.

Sod Plugger

Cuts and transplants a 3 inch square sod plug from an existing grass area. Also, extracts a soil core the same size as most commercially available plugs on the market. The most economical way to establish new grass or repair a damaged lawn.

Rocket Weeder

Removes the toughest weeds! The unique gripping action grabs weeds, while the ergonomic handle levers the weed up out of the ground, roots and all. The ejector button dumps the weed wherever you want it and keeps your hands clean.

Rotary Cultivator

Intertwined blades form multiple mini shears which remove and cut weeds while breaking up the soil. The detachable blades can be configured so you can till between rows and around plants. The extendable steel handle reduces bending and back strain.

Long-lasting, earth friendly tools.

Bulb & Garden Planter

Easily dig holes for bulbs and bedding plants while standing. No need to bend or kneel!

Gopher Mole Bait Applicator

Inserts the bait directly underground, so only the targeted pests come in contact with the application. Keeps toxic chemicals away from children, pets and birds. Will dispense most baits on the market.

Compost Aerator

Folding wings harpoon into the heart of the compost pile, opening when withdrawn. Aerates, circulates and turns the compost.

What does it take to be great?

World's Greatest Rake™

The name says it all. Our professional grade rake with "spring-back" tines is the best ever invented. This amazing rake has been the secret of landscapers for the past 30 years. Its free-floating, cold rolled, spring steel tines are so stiff it will pick wet leaves off your driveway but so flexible it can rake directly over bedding plants. A perfect garden groomer. With a light weight but heavy duty wooden handle your only problem will be getting it back after you have lent it to the neighbor.

World's Greatest Shrub Rake™

Strong But Flexible

Free-floating tines maximize flexibility to gently rake over bedding plants.

Order Reference

Terra Tuff Our crew of hand tools.

Terra Mattock

The Terra Mattock provides extra heft with two cutting blades. This is the professional choice for bedding plants and annuals.

Terra Planter

The Terra Planter is an unbreakable trowel that digs with leverage action. The second tapered pick end can be used for loosening, tilling, and furrowing the soil. The heat treated steel head guarantees light weight comfort with heavy duty long lasting performance.

Terra Weeder

Its tapered hardened steel tines work like a claw hammer, locking and holding the weed for complete root removal. The second beveled edge can be used for cutting roots with ease. Use it once and it will quickly become your favorite gardening tool.

Terra Tiller

The Terra Tiller's three sturdy prongs are excellent for weeding, breaking, loosening, and deep tilling soil. The extra heft of this well balanced tool make the second beveled edge perfect for cutting, trenching or general garden use.

Terra Rake

The Steel spring tines make the 18" Terra Rake the softest, handheld rake available for hard to reach places. Rake right over plants to remove debris without harming the plants.

Garden Kneeler & Seat

Garden Accessories

Garden Kneeler

The Yard Butler Garden Kneeler & Seat will make your time in the garden easier and less painful by reducing back strain. The padded cushion allows you to kneel amongst the plants without scraping up your knees or mucking up your pants and the extended arms make getting up and down for working the soil much easier. You can even use it as a garden stool.

This portable garden bench is as durable as it is comfortable. When not in use the Garden Kneeler folds flat for convenient storage. All steel construction with a powder coated finish for durability.

Santa's Helper

Santa's Helper Stand for 3' - 6' trees

A 15" base provides stability for natural trees from 3' to 6'. Water capacity of 0.8 gallons to keep trees fresh and smelling great all through the holidays. Powder coated steel was built to last and you won't find an easier stand to use.

Santa's Helper Stand for 6' - 11' trees

Santa's Helper is made of heavy duty powder coated steel, welded construction. Its 22" base and 9" wide center pipe holds big trees up to 11 feet. The unique round 360° base will not tip over easily and the high water capacity of 1.65 gallons will keep your tree fresh all season. With 4 easy-turn, easy-tighten T-bolts, trees straighten in seconds and stay straight.

Santa's Helper White Christmas Stand

"Santa's Helper White Christmas" in winter white with shiny gold accents is a beautiful addition to your holiday décor. Made of heavy duty powder coated steel, welded construction, its 22" base and 7" wide center pipe holds big trees up to 11 feet with a capacity of 1.65 gallons. This Christmas tree stand is as attractive under the tree as the ornaments on the tree.
