EVERYDAY

CATALOG 2023

Twenty-three in 2023! Can you believe it?

Blue Sky Clayworks has been delighting fans for over two decades.

Heather Goldminc celebrates each and everyday with her whimsical creations. Her creative head and sense of humor are apparent in her work. There are puns, fun, dangling charms and so much love put into the pieces. Each year she brings a new twist on the people, places and things we experience in the day to day – be it Christmas, Halloween, Thanksgiving and all the days that we hold near and dear.

This year we have stepped back in time – 23 years in fact. Our Dragon from 2000 was a HUGE hit – it was one of the pieces that put Heather’s work in the homes of so many people. It was the piece that showed the fire in Heather’s belly – the fire that has built clay into something extraordinary around the globe!

This year, we introduce Dragon 2.0 – Misto Dragonccino. This dragon dude has all the whimsy and innovation you would expect from Heather – but you need to see the extra touches – this year the nose is a backflow incense burner that makes smoke come out of the nostrils. So awesome. Heather is a big cappuccino fan, so it makes sense that this dragon has a coffee too. Misto Dragonccino is a limited edition piece – only 600 made in the original run. Be one of the first to get your 2023 Dragon – it will be a collectible for sure. This piece comes with a Certification of Authenticity signed by Heather Goldminc.

In this catalog you will see the variety of work and whimsy that Heather creates in her Vancouver Island Studio. Salt and pepper sets, flamingos, Woodland creatures, dogs, cats. We also have some incredible candle houses coming your way – all in tune with the world in 2023. Little Love Candle House, Blue Daisy Candle House, Easter Church Candle House, Lazy Cat Candle House, The Coral Cove Collection and so much more!

Blue Sky Clayworks Everyday Line is the perfect fit for collectors and new fans – so much to see and enjoy – and display and use throughout the year.

For Heather, it is a tremendous privilege and a dream come true to see her work in the homes of people all over the world, touching the hearts of so many.

NOAH'S ROSARY

Individual hand painted beads

It rained for 40 days and nights- the world was cleansed

Rain drops

He gathered two of every animal and his family on the ark

Noah sent out a raven to look for dry land It did not return

Rain clouds begin to gather when the ark is ready

Sun begins to shine

Noah waited a bit longer for the waters to recede Then sent out a dove who returned with an olive branch... the earth was drying up

Noah built a huge ark according to God's plans

Olive branch the dove brings back

Blue beads represent the blue sky

God sent a rainbow as a promise that he would not send another flood

One day, God came to a good man named Noah and said he would send a flood to cleanse the earth of those who were not living according to God's laws

God's blessings to the world
