

Painted Sky
Different by Design

Outdoor Living
2024

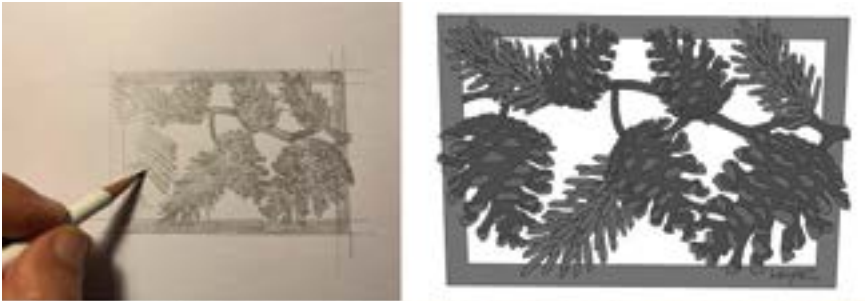

Refuge. Oasis. Respite. Reunion. These are a few of the words that inspire us to design and deliver the most artistic outdoor furniture and accessories on the market today. We believe in bringing art outdoors, transforming patio, deck, and garden spaces into places to relax, gather friends and enjoy nature.

Tucked in the Driftless region near the Mississippi River in Dubuque, Iowa, we use our own outdoor spaces to develop new designs and entertain our family and friends.

As a second generation, family-owned business, our reputation is important to us. You will find our products to be as comfortable and durable as they are beautiful, with excellent customer service to stand behind that promise.

As always, thanks for being part of our story.

Mike, Renee, Kristin & Weston

Our mission is simple. *To bring art outdoors.* That's why all Painted Sky furniture begins with original art by our co-founder and wildlife artist Mike Meyer.

Artwork is then digitally rendered and sized for sculpting.

Designs are hand sculpted in clay, which skilled foundry artisans use to create a detailed aluminum mold.

The art is then sand cast in iron or aluminum.

Each casting receives two coats of rust-inhibiting primer, a bronze powder coat, and hand-painted gold highlights.

Our product line ranges from premium cast iron and cast aluminum construction to lighter weight tube steel options in benches, gliders, swings, and tables and chairs. In 2024 we are adding HDPE patio and dining chairs to our catalog. Engineered for easy assembly, Painted Sky Designs products are high-quality, maintenance-free and weather resistant.

Cast Iron Bench, Glider & Swing

Cast Iron Bench

Specifications (fully assembled):
50 1/4" wide, 36" tall and 27" deep. Seat height 16".
Product Weight: 105 lbs. Seat capacity: 800 lbs. (2 people)

HDPE Patio Chair

Introducing our new line of USA manufactured high-density polyethylene furniture. With our artist-designed cast aluminum inserts, this line is unlike anything else on the market today.

We plan to expand beyond patio chairs, to dining sets, adirondacks, and benches in a variety of themes.

Available in dining, bar, and counter heights.

Three color options:

Walnut and Taupe (left)

Two-tone Gray (right)

Teal and Gray (not pictured)
