Early Season Plant Shield and Growth Accelerator

Superior plant protection and insulation from cold temperatures

- NuVue's Plant Shield protects from the outdoor seasonal elements, allowing you to plant 4 to 6 weeks earlier and harvest later by creating a mini greenhouse
- Warms the soil and air around your plants to create an ideal growing environment
- Water filled tubes surround your delicate plants and absorb the heat from the daylight sun, releasing the stored heat during the cold nights to protect your plants
- Product is 18" tall and 17" dia. making them ideal for tomatoes and other vined and fruit bearing plants
- Sold as 3 in a pack
- Heavy duty construction allows them to be used season after season

Early Season Plant Shield and Growth Accelerator

Retail Shelf Display – 12 x 3-Packs per Merchandiser

- Bright and colorful shelf display makes it easy to merchandise the product
- Display holds 12 consumer units (12 x 3-Packs)
- Clearly communicates the advantages of using the Early Season Plant Shield
- Display comes completely set up. Just remove the protective cover and place on shelf

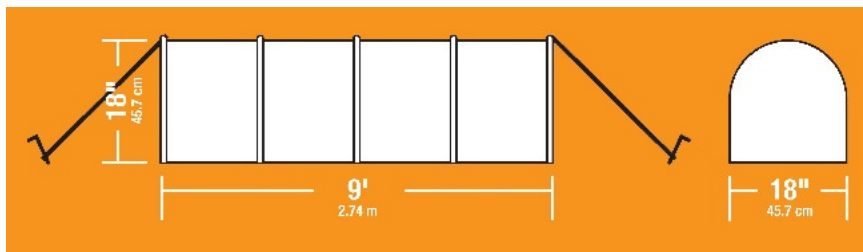

NuVue Item #24047

Row Gro™ - Fully Integrated Framed Grow Tunnel Kit

- Framed tunnel is manufactured using a professional, synthetic growers' fabric that filters sunlight and creates a perfect growing environment
- Expandable to 9ft. with 18" width x 18" height
- Allows sunlight, air, and water to gently pass through – critical for healthy plants
- Blocks out harsh weather, insects and frost
- Fully incorporated metal frame and ground anchors for easy installation. Zippered ends for easy access
- “Accordions” out for quick and easy set-up and take-down. Reusable and easy to store.
- Ideal for both the urban and rural gardener

#24120: Expandable to 9 ft.

Dimensions: 9 ft. x 18" x 18"

Plant Protection and Growth Acceleration Spring-Up™ Greenhouse

NEW!

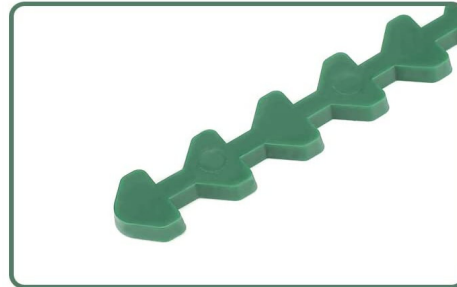

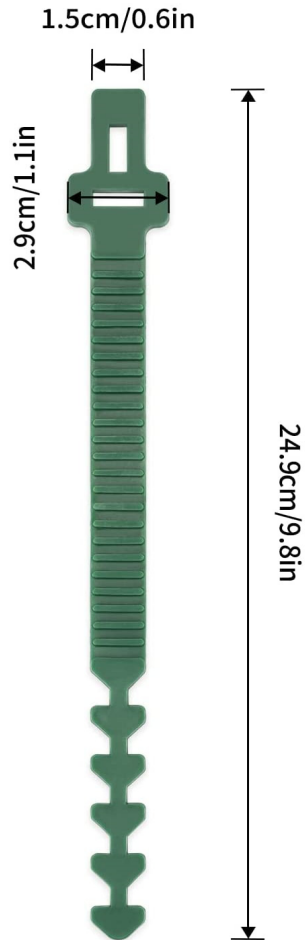

- One universal size in 24" height x 16" diameter
- Durable PE material with green, internal weaved fabric reinforcement for durability
- Allows the sun's light to penetrate and warm the soil to accelerate new growth early in the Spring, and extend the growing season in the Fall
- Blocks out harsh weather, frost, wind and unwanted pests
- Screened, roll-up, top window vent for additional air flow and precipitation. Can be closed for frost/animal protection or opened to regulate the temperature on warmer days
- Zippered top opening for easy access and watering as necessary
- Collapsible and for easy storage
- Two (2) spikes included for anchoring in the ground

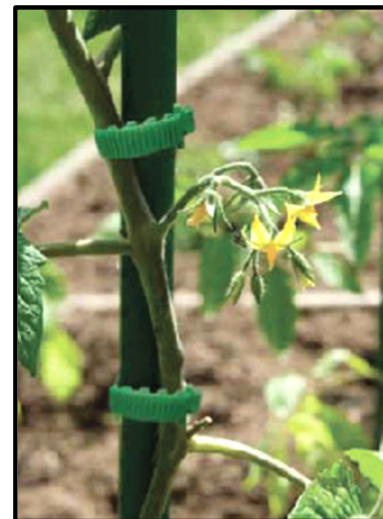

#24046: 24"H x 16" dia.

- All displays are made from a recyclable weatherproof coroplast material
- Labels are coated to be weather resistant

PLANT, SHRUB & TREE PROTECTION

Superior Winter Protection - SYNLAP™ Synthetic Burlap

NuVue Item #30501
3 ft x 12 ft Folded Synlap

NuVue Item #30500
42" x 25 ft Synlap™ Rolls

- Green synthetic burlap replaces the need for traditional jute burlap. The Hunter Green color is more attractive through the long winter months and is reusable
- **SYNLAP** synthetic burlap™, offers a premium product with unique features such as built-in cinch ties that make installation easier. Synthetic burlap will not rot, mold or mildew
- **#30500** is available in master cartons of 6 rolls (#30500CT) or a display carton of 12 rolls (#30500). Rolls are a 42" wide by 25 ft in length
- **#30501** is a master carton of 24 pcs. that are each 36" wide by 12 ft. in length
- **SYNLAP™** is very competitively priced when compared to jute rolls and is a premium option for consumers

Thank You!
