Grateful to serve customers who started with us over 30 years ago and continue to be loyal, Cuevas Wholesale Group created the Rustic Arrow brand to give higher quality and focus on the growing demand of our recycled and rustic products.

Headquartered on our nation's largest inland port, Laredo TX, our company focuses on the wholesale, promotion, and distribution of authentic Mexican handcrafts into The United States and Canada. We offer products that reach originality, novelty, creativity, and reusability. Our vast long-term business links with manufacturers, crafts shops and designers have made us a highly valued and reliable vendor amongst our clients.

At Cuevas Wholesale Group, our values serve as a compass for our actions and describe how we behave in the world. Through integrity, accountability, passion, humility, and simplicity, we are proud to rejoice in a vibrant company culture where ideas blossom, people thrive, and success flourishes.

It is said that God kissed the Artisans hands and hearts by giving them the gift to create and the joy of making their families proud.

To honor this gift, Rustic Arrow is proud to present only hand crafted products.
