Tumbled Glass Chimes

Cohasset tumbled glass wind chimes are crafted with eco-friendly coconut wood and recycled tumbled glass by skilled artists in Bali with whom we work directly. Each product is entirely handmade from sourcing the wood, to tumbling the glass, to stringing it all together to make a beautiful piece of art. Our high standard for quality ensures that every piece that gets shipped out is completely unique and built to last. Each tumbled glass chime's unique variations and features will serve any setting well as a chime, suncatcher, or even an eye-catching wall decoration.

- Made of fast-growing and eco-friendly coconut wood and recycled glass
- Makes a perfect gift for newlyweds, housewarming, or for anyone looking to add a dash of color to their space
- Each tumbled glass chime is its own unique work of art – no two are identical!
- To preserve the integrity of the glass, keep out of blustery winds and strong gusts

Oil Drum and Metal Chimes

Cohasset oil drum wind chimes are created by hand from refurbished oil drums at the end of their industrial life and each one sports a unique distinction from its past. Our Metal Chimes are made from cut and hammered steel. Handmade by artists in Bali with whom we work directly, these chimes are a standout addition to any outdoor living space. The perfect responsibly-sourced gift for any special occasion, our high standard for quality ensures they'll contribute to a relaxing, fun atmosphere for years to come, no matter where they hang.

- Made of responsibly-sourced recycled steel from oil drums
- Makes a perfect gift for newlyweds, housewarming, or for anyone looking to add a dash of color to their space
- Each oil drum chime is its own unique work of art – no two are identical!
- Cleaning is as simple as washing with warm, soapy water
