## Accent Fireplaces & Accessories

Imagine sitting by a campfire, fireplace or bonfire where total relaxation, reflection and comfort are your only concerns. It sounds especially welcoming in the age of information where schedules are hectic and the intensity of life has seemingly crept into overdrive. With our line-up of ceramic, metal, and glass models; as well as the DIY stand, there is sure to be an EchoFlame accent fireplace destined for your home or patio.

The heart of our EchoFlame products is a safe, clean burning bio-gel fuel can designed to work with all our EchoFlame accent fireplaces. No smoke, ashes or soot to deal with; just a maintenance free way to enjoy a beautiful fire. Each fuel can burns brightly for 2.5+ hrs with the crackle sound of a wood fire without the cost or hassle.

# EDI-SOL SOLAR LANTERNS

Our Edi-Sol™ Solar Lights are the first products to use the energy of the sun to power a series of light bulbs inspired by their namesake, Thomas Edison. Each bulb has a series of LEDs that simulates the warm, amber glow emitted from a tungsten filament light bulb. Whether hanging, table top or staked, each Edi-Sol™ solar light will bring the relaxing ambiance commonly found in indoor settings to outdoor living spaces (U.S. Patent 10,364,953).

Attractive 12pc  
 Counter Display!

(US Patent No. 7812547)

Transform any empty bottle or mason jar into a stunning nighttime lantern!  
 Soothing, twinkling LED lights will last for thousands of hours; provides up to 5 hours of light on a daily charge. Kit includes wire hanger which allows for multi-purpose lighting applications (hanging/tabletop and indoor/outdoor). Automatic on/off solar operation eliminates costly battery changing. Each unit includes long lasting replaceable Ni-Mh 2/3 AAA battery. Note: Empty bottle not included.

## LUMINA RAIN CHAINS

Transform any gutter downspout into a beautiful cascading waterfall by day and dramatic lighted column at night courtesy of our Lumina Rain Chains. On rainy days, water from the gutter exits the downspout and cascades through the decorative metal cups adorning the rain chain, creating a water tower effect. At night, the white or multi-color LED's in the clear vinyl tubing encased light strand bathe the cups and chain in a stunning array of light! The light strand connects to a clip-mount solar module that attaches atop of the gutter. Light from the sun charges the AA Ni-Mh battery (included) at night and automatically activates the LED's at dusk.

Universal Rain Chain Window Box

5410 Umbrella Solar Illuminated Rain Chain  
3.5" x 3.5" x 90"

5411 Tulip Solar Illuminated Rain Chain

# ILLUMINARIE STAKES

Patented (U.S. Patent No. 7,252,889)

Luminescent crystals within our Illuminarie® globes absorb light energy during the day and emit a soothing, light green glow at night. The glow intensity will gradually fade but can be visible for hours after dusk. Illuminaries® may be recharged by exposing to any light source. Indoors or outside, in a potted plant, garden or walkway - you're sure to enjoy Illuminarie® globe stakes!

# EchoFlame™

Our elegant EchoFlame™ Genesis Patio torches combine the intrinsic beauty of hand-blown glass with durable, powder-coat steel. Unlike our EchoFlame™ gel-fuel appliances, these use standard paraffin or citronella lamp oil and come with a replaceable fiberglass wick and snuffer cap. There are no tools required for assembly and they are easy to install, fill and clean. At 65" (fully assembled) they make an impressive statement in the yard and create a beautiful ambiance at night.
