

SOUTHERN
PATIO®

2023 Product Offering

About Southern Patio®

Since 1977, gardeners have turned to Southern Patio® for innovative, beautiful planters and décor inspiration for their home, both inside and outside. Over the past four decades, we have led the industry through its evolution from simple, affordable poly pots to today's innovative materials and designs.

Today, our planters integrate cutting-edge, lightweight materials that mimic expensive natural finishes. They also feature enhancements to promote plant health and make maintenance easier.

What Sets Us Apart

Industry trends and consumer insights fuel our everyday processes and have helped mold us into the leader within our industry. As we have evolved, we continue to expand our product offering to include outdoor décor from Wall Art to Wind Spinners and more.

Our distributors rely on our trustworthy customer service, innovative solutions and inspiring assortment to enhance their offering, year after year. Whether you are a gardener looking for projects or a distributor looking for the ideal partner, Southern Patio® strives to provide the very best products and experience to our customers.

ITEMS FOR 2023

Acanthus Urn

The Acanthus Urn is a classic piece that will help create an elegant ambience. Featuring a leaf pattern border with a decorative base and bronze colored finish, this planter can be used as an eye-catching accent. The Acanthus Urn is offered in a 19" height.

Substrate: Enviroblend

Natural Gray Modesto, Colony Square and Porter Urn

Keeping the same sizes and designs, the Ivory finish has been replaced with a Natural Gray finish for the Modesto, Colony Square and Porter Urn planters. This natural gray reflects a market shift towards more modern style color palettes and will complement a variety of different decorating styles.

Substrate: CMX

ITEMS FOR 2023

Cromarty Planter Family

The Cromarty family of planters blends both elements of classic and modern design catering to a variety of décor styles. The hot coal finish offers a unique neutral brown tone with subtle highlights. The Cromarty is available in 3 different diameter sizes: 10", 12" & 16".

Substrate: HDR

Lira

The Lira planter family is a modern design of the classic hanging basket planter. There are 3 color options available: Olive Green, Terracotta and White. The Lira planter is offered in a 10" diameter size.

Substrate: Plastic

ITEMS FOR 2023

Fern

The Fern family of planters features a sleek, chic, and modern design with a gray and black textured finish. The subtle imprint of a fern plant provides a decorative accent that makes any space unique without an overpowering presence. The Fern planter is offered in 2 different height sizes: 12" and 27.5".

Substrate: Recycled Rubber

Lota

The Lota planter is designed for modern decorating styles featuring a simplistic design with a gray and black textured finish. It best complements large plants and spaces. It is offered in a 22.25" diameter size.

Substrate: Recycled Rubber

Wright

The Wright family of planters is designed for large plants and spaces. This classic design is available in two finishes, white stone and textured brown. The Wright planter is offered in a 18" height.

Substrate: Recycled Rubber

ITEMS FOR 2023

Midori

The Midori planter takes rustic to a sophisticated level. The fine lines combined with the galvanized finish is a great way to finish out the modern farmhouse décor. The Midori planter is offered in a 15" diameter.

Substrate: HDR

Stone Finishes On The Egg & Newland Square Families

The Egg and Newland Square planter families have been refreshed with stone aesthetic finishes. There are options available in a Greystone and Whitestone. This natural aesthetic combined with the modern design of each planter family is sure to create a stunning accent in any setting.

Substrate: HDR
