Environmentally Safe on Lawns and Shrubs

Will not damage plant life.

Child and Pet Safe

Safe on eyes, skin, paws, and if ingested.
It's all-around safe and 100% salt-free!

Safe on All Surfaces

It's non-toxic and biodegradable! Safe
on metal, concrete*, asphalt, brick,
pavers, saw wood & composites, and
floors and rugs.

Works at Very Low Temperatures

Guaranteed to melt snow and ice at low
temperatures (10 °F).

Using Safe Chemistry and No Salts

Made with a patented dual-effect formula that
breaks the surface tension and instantly melts
ice. Overall, this effect speeds up the melting
process.

Excellent Spread Rate

Allows a typical backyard to be treated to make
a safe winter playland for pets and people. Use
1/2 of what you would normally use with salt!

Livestock Safe

Can be used around all animals to create
safe areas for barns, paddocks, pens, and
anywhere animals live and travel.

Non-Corrosive and Non-Conductive

No damage to delicate machinery and will not
short circuit expensive equipment.
