NEXT GEN PEST CONTROL

Backed by Science

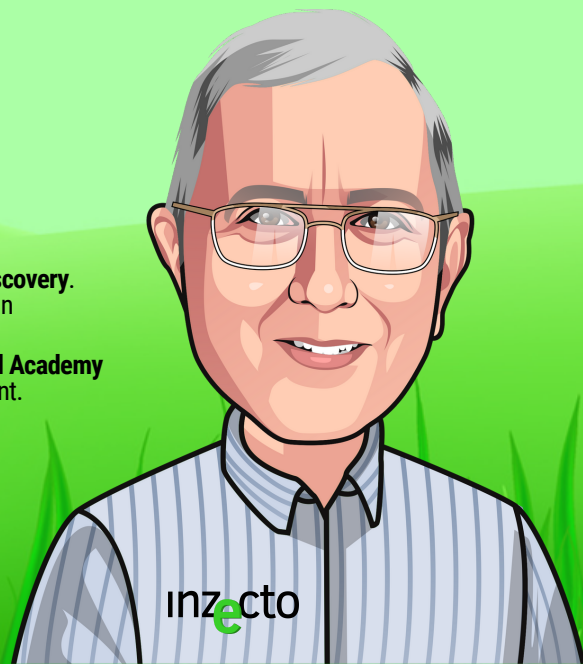

INZECTO's Award Winning Products were Developed at the #1 Ranked Entomology Department in the World, the **University of Florida**, with R&D Funded by the Pentagon to Protect Deployed Soldiers.

Dr. Phil Koehler

Co-Inventor of INZECTO Pest Control Products

Dr. Koehler's accomplishments have been highlighted by the media with coverage on **ABC, NBC, CBS, ABC's Nightline, CNN, Fox, National Geographic, Animal Planet, and Discovery**. A distinguished Emeritus Professor at the University of Florida with 45 years specializing in urban pest management.

With 28 Patents & Counting to his name, Dr. Koehler is an honorary **Fellow at the National Academy of Inventors** & National Pest Management Association Professional Hall of Fame Recipient. Dr. Koehler's lifetime of accomplishments has resulted in the INZECTO Line of Products.

INZECTO MOSQUITO TRAP

Effective, Simple & Long-Lasting Mosquito Control

Our patented coating inside of the trap utilizes a micro-dose of insecticide embedded into the interior surface. Designed for mosquito prevention, traps are utilized at the beginning of the season to prevent the annoyance of urban mosquitoes that can carry dangerous diseases to humans such as Dengue, Zika, Yellow Fever, Chikungunya, West Nile, and others.

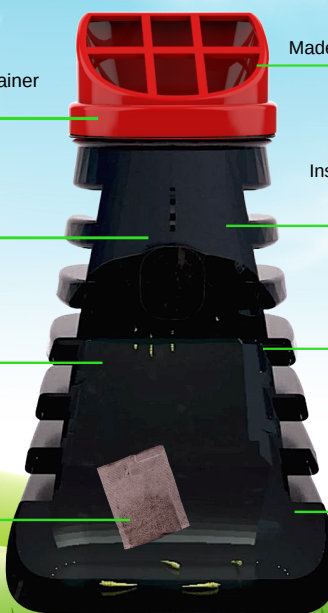

MOSQUITO TRAP Features

- Effective
- Eco-Friendly
- Simple (Just Add Water)
- Long-Lasting
- Recyclable

Item Number	Description	Size	Unit Weight
Not Sold Individually	Retail 2 Pack	8.5H X 9.1W X 5D	14.8 oz
Item Number	Description	Size	Unit Weight
001-02	Retail Case (6 Units)	9.5H x 18.5W X 15.4D	6.5 LBS
Pieces Per Case	Cases Per Pallet	Units Per Pallet	Pallet Weight
6 Units	40 Cases	240 Units	310 LBS

Bulk Case of 12 Individually Packaged Traps

Item Number	Description	Size	Unit Weight
Not Sold Individually	Single Trap	9H X 4.7W X 4.9D	5.6 OZ
Item Number	Description	Size	Unit Weight
001-12	Bulk Case (12 Units)	9H x 18.5 W x 15.4D	6.13 LBS
Pieces Per Case	Cases Per Pallet	Units Per Pallet	Pallet Weight
12 Units	40 Cases	480 Units	300 LBS

INZECTO A-MAZING FLY CATCHER

Studies Performed at the University of Florida have Shown Flies Prefer **Blue + Black** Lines 2X MORE than Traditional **Yellow** Fly Paper.

INZECTO A-MAZING FLY CATCHER provides a patented maze design and blue color proven to attract more flies over other glue devices. Simply hang the calendars where needed indoors or outdoors. Flying Insects get stuck on the glue and not in your food or surfaces. Active fly control reduces the transmission of many food borne diseases.

Revolutionary Sticky Fly Paper Calendar

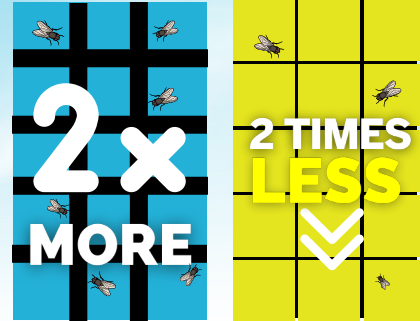

The INZECTO A-Mazing Fly Catcher Calendar is Scientifically Proven to **Catch 2 Times More Flies.**

Hanging Fly Calendar Includes Five(5) Sticky Pages representing Five (5) months of use.

Each Page is perforated for easy removal once filled with Flies.

No Power Source Needed to Attract Flying Insects

Light Blue & Black Results Over Traditional Fly Product Colors

Targets the Following Fly Species:

Large filth flies (Invaders)

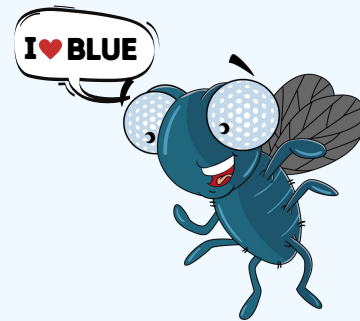

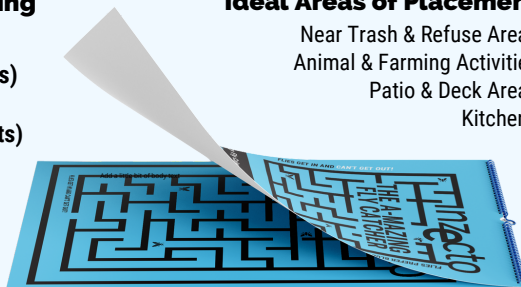

- House flies

Small filth flies (Terrorists)

- Phorid flies
- Fruit flies
- Biting flies
- Sand flies

Ideal Areas of Placement

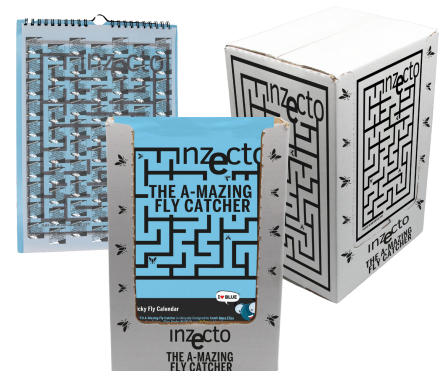

- Near Trash & Refuse Areas
- Animal & Farming Activities
- Patio & Deck Areas
- Kitchens
