Full-Line Catalog**

Panacea Products Corporation is a leading manufacturer of wire products in the Lawn & Garden, Fireplace, Floral & Craft and Home Organization categories.

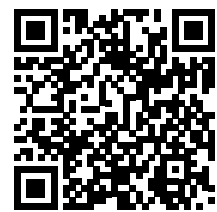

Our products are available wholesale only to order through multiple distributors, resellers, growers or by contacting your Panacea representative. If you are in the Columbus, Ohio or Antioch, IL area we would like to extend a warm invitation for you to visit our facility (by appointment please) to see our manufacturing, assembly and distribution operations, as well as see our private showroom. Please see contact details on the back of this catalog.

Whether you are a large or small reseller, your business is important to us. While our business has grown, our staff has remained relatively small and we remain committed to servicing your needs with personal attention that shows how much we appreciate your business. Thank you for over fifty wonderful years together!

Why Is Eucalyptus Sustainable?

Eucalyptus is an extremely sustainable and renewable resource. Eucalyptus is a plantation-grown hardwood that is sustainably harvested and in plentiful supply. Some plantations can produce up to 30 times more volume per year than your average carpentry wood bearing trees.

This high-quality, kiln-dried timber is incredibly solid with great durability and strength and has beautiful grain and a smooth finish that requires minimal maintenance. Eucalyptus is extremely dense, rot- and decay-resistant with a high oil content that repels water and moisture making it ideal for outdoor furniture and planters. It also weathers to a soft gray if left untreated, however, it can be stained to maintain its rich tones.

WOODLINK®

GARDEN COLLECTION

Our Woodlink brand uses the finest cedar and state-of-the-art equipment to create products that surpass the quality of any similar wood items in the industry. Careful attention is given to each piece with additional sanding and inspection to ensure they meet our rigid standards. Unlike other wood products, we never glue or staple, each piece is predrilled and assembled using rugged zinc screws.

We are pleased to introduce this new, premium collection of garden décor with impeccable quality. Additionally, we've taken the most popular trend in new homebuilding, Craftsman or Mission-styling, and added details to create this furniture-quality collection of outdoor products as part of our new Mission Collection product line.

Vintage Raised Garden Planters

The look is fashionable and the construction is rugged. All you need is a pair of pliers and a screwdriver to connect the trendy, aged galvanized panels together!

These good looking, raised bed planters look like popular, galvanized animal watering troughs, but they are actually flat embossed sheet metal panels that easily bolt together or store flat for seasonal storage.

Attractive packaging fits easily into a car.

Professional Grower Hanging Baskets

Commercial quality hanging baskets for the professional grower

Economical & Efficient

We bring in several ocean containers annually of these Special Buy Wire Coco baskets to offer you a competitively-priced commercial hanging basket that looks great and is easy to fill.

- Deeper shape to hold more soil and water
- Full poly lining with perforated drain hole keeps coco lining looking fresh and basket from drying out too quickly
- Clip on nylon hanger makes assembly easy and fast. Includes tag slot for attaching plant identification tag and UPC.
- Available in large case packs (25 per with UPC sticker), or in large, bulk pallet quantities (no packaging).
- Each pallet is individually wrapped for outdoor storage
- Black, powder coated wire (wont bubble like PE coating)

The Look Of Yesteryear

In a Modern-Day Galvanized Format!

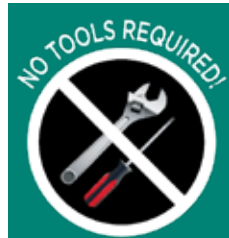

With its vintage appeal, this A-frame construction plant stand has details that provide the popular "re-purposed" look of an authentic old metal ladder. Compact and lightweight, yet rugged and strong enough to hold heavy pottery. The three, galvanized metal shelves fit snugly onto the ladder frame and require no tools to assemble while keeping dirt and moisture contained. Perfect indoors or on a small patio. Folds compactly for seasonal storage.

Great for starting seedlings!

Decorative Metal Landscape Edging

Combining the Elegant Look of Cast Iron Edging with Professional-Grade Metal Landscape Edging.

We've taken metal landscape edging to a new level with stamped ornamentation that gives this functional product line more personality. Classic designs popular in our wire border fence, like finial and arch shapes, are combined with professional-grade 1.5mm thick sheet metal that can be easily installed to fit any landscape. Pre-galvanized sheet metal is powder coated with rugged, textured finishes for an elegant appearance.

Easily Bends to Any Shape

Universal Landscape Edging Stakes

Each metal edge strip is installed using our 10.5"H Metal Landscape Edging Stakes (sold separately). 3 per pack, in a matching finish. The stakes connect two strips securely together end-to-end with no wasted overlap. They also install in the center of each strip to provide more flexibility when bending them into curved shapes. An angled, flat top on each stake makes it easy to hammer them into the ground without damaging edging and provides more stability.

10.5" Metal Landscape Edging Stakes
Universal stakes. All 12 per case. 3 per pack.
