

# Sweet-Seed's™ Sweet-Nectar™

## NECTAR AS NATURE INTENDED

All-natural, dye-free, wild flower & fruit-infused hummingbird, butterfly, & oriole nectars fortified with calcium and electrolytes with absolutely no harmful preservatives.

### EVERYTHING THEY NEED

### NOTHING THEY DON'T

“

My little birds just weren't crazy about any of the 3 or 4 other types I tried. I put this one out and within a few days, I had hummingbirds fighting over it!

Online Review

Hummers know which feeders are filled with your nectars and which ones are filled with sugar water... they flock to yours!
