

KEY BENEFITS TO THE CONSUMER

- Washes away nearly invisible ticks in the shower if you miss them upon first inspection.
- Reduces your risk of contracting one of the 17 known tick-borne diseases.
- Allows you to experience smooth, invigorated skin from the towel's exfoliating micro-loops.
- Gives you peace of mind while exploring the Great Outdoors knowing you're protected after being exposed to tick-infested areas.
- Quick-Dry material keeps the towel fresh and ready to use day after day.

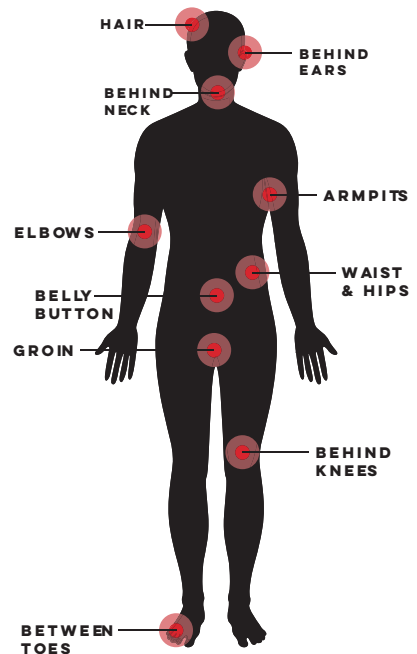

HOW DOES TICKTOWEL HELP REMOVE TICKS?

- Ticktowel is an exfoliating mitt that fits over the hand.
- The usage occasion is in the shower with soap after outdoor activities.
- Ticktowel is uniquely designed to remove nearly-invisible ticks, such as deer ticks, from the skin.
- Ticktowel's "micro-loop" material generates a superior lather to help remove uninvited pests and gently exfoliate the skin.
