- Holds up to 3 lb of mixed seed, black-oil sunflower seed, sunflower chips, or safflower seed

*Alternate configuration, 333-1SR*

## Perky-Pet® 8 lb Squirrel-Be-Gone II Feeder Home with Chimney | 339

- Weight-activated seed protection covers ports under a squirrel's weight
- Tough all-metal construction with removable roof for easy filling
- Can be hung or pole mounted for ideal placement
- Holds up to 8 lb of seed

*Alternate configuration, 339B*

## Perky-Pet® Squirrel-Be-Gone II Country Style Bird Feeder – 8 lb | 338

- Weight-activated perch closes off ports under squirrels' weight
- Durable, all-metal construction stands up against squirrels
- Removable roof and large opening for easy filling
- Powder-coated finish provides rust resistance and durability
- Can be hung or pole mounted for versatile placement
- Holds up to 8 lb of black-oil sunflower seed, hulled sunflower seed, mixed seed, or safflower seed

# Seed Feeder *Squirrel Proof*

## Squirrel-X LX1 Squirrel-Resistant Bird Feeder With Spring-Loaded Perches - 4.2 Lb | *CL111IN*

- Integrated spring-loaded perch design - a squirrel's weight shuts all 4 ports
- Wide top opening for easy filling
- Metal frame, reinforced metal tabs and metal-covered hanging wire built to resist squirrel chewing
- Circular perches for comfortable feeding
- Forest green finish with a bird finial on top for added decoration
- Holds up to 4.2 lb of seed

## Perky-Pet® Squirrel-Be-Gone III Bird Feeder – 8 lb | *337*

- Weight-activated technology closes ports under squirrels' weight
- Three individual seed compartments allow more seed options
- Powder-coated metal frame resists rust and adds durability
- Nine feeding stations with U-shaped perches
- Holds up to 8 lb of black-oil sunflower seed, peanuts, and mixed seed

## Squirrel-X Squirrel-Resistant Caged Bird Feeder | *38002*

- Rugged metal cage deters grey squirrels and larger birds from reaching seed
- Smaller songbirds easily fit through cage openings to feed in safety
- Built-in pole-mount socket and metal hanger for convenient placement options
- 4 ergonomic U-shaped perches for bird comfort
- 1.5 lb sunflower/mixed seed capacity
- Durable metal cap, base & ports in a beautiful Verde Vein green finish

## Squirrel-X X4 Squirrel Resistant Bird Feeder, 4 Spring Loaded Perches, 1.5 lb Birdseed Capacity | *80004IN*

- Open the feeder with the touch of a button
- Leave the feeder hanging for easy filling
- Secure the easy-to-close top with one hand
- Sturdy gunmetal grey finished metal frame
- All four feeding perches collapse under the weight of a Squirrel-X
- Holds up 1.3 pounds of birdseed

# Seed Feeder Squirrel Proof

## Squirrel-X MX5 Squirrel-Resistant Bird Feeder | 151-2PK

- Keep out squirrels and larger “bully” birds like Grackles, Doves, and Blackbirds
- Integrated spring-loaded perch design shuts every port simultaneously with the weight of a squirrel
- Weather guard prevents bully birds from accessing feeder ports
- 4 rounded “comfort perches” attract a wide variety of birds
- Feeder disassembles into 3 simple sections for thorough cleaning
- Wide opening, push-down-and-twist metal locking lid quickly removes for effortless refilling
- Attracts finches, cardinals, chickadees, nuthatches, titmice, and more

*Alternate configuration, 151-2PK-DI*

## Squirrel-X by More Birds® X5 Squirrel Resistant Bird Feeder | 80005IN

- Features an adjustable central tension spring post that allows you to choose the size of bird that enjoys your feeder
- If a squirrel or larger bird attempts to break into the accessory, his weight will shut every port to prevent him from eating the feed
- Includes 6 rounded comfort perches that can change in length to best suit the birds you are trying to attract
- Crafted in a durable metal, die-cast frame that's been finished with a beautiful bronze color
- 4 spring-loaded perches
- Holds up to 3 pounds of birdseed

## Jagunda Squirrel-Proof Bird Feeder with Auger – 6 lb | JG-A-M

- 18.5” feeder tray doubles as a squirrel baffle to prevent squirrels from reaching the seed
- 15” cover offers weather protection
- No-tilt auger keeps the 5.5’ pole mounted securely in the ground, and the auger installation is arthritic hand-friendly
- Tray includes drainage holes to keep food fresh
- Install a tube feeder above your Jagunda to attract a wider variety of birds and create different feeding zones
- Droll Yankees’ collet technology makes cleaning and filling the Jagunda a breeze – simply loosen the collet fastener and lift the feeder cover for quick and easy access
- Holds up to 6 lb of seed

# Seed Feeder Suet

## More Birds® Suet Cage Single | 38092

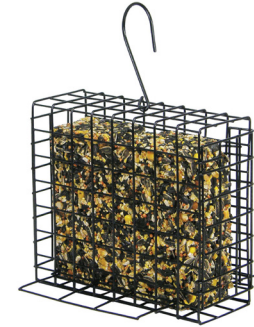

- Easy-open, double-locking closure system secures tightly
- Cage grid designed with clinging birds in mind – feed woodpeckers, nuthatches, chickadees and more
- Easy to clean
- 1 suet cake capacity
- Not just for suet – great for small seed cakes, nesting materials in spring & oranges in summer
- Solid steel construction with durable weather resistant, powder-coated black finish

*Alternate configuration, 38092-DI, 35521, 39055-DI*

## More Birds® Seed Cake Feeder | 38174-DI

- Hangs easily from tree or pole
- Holds one large suet or cake
- Attracts birds such as woodpeckers, nuthatches, chickadees and more

# Seed Feeder *Droll Yankee*

## Droll Yankees® Ring Pull Tube Finch Feeder – 1 lb | *TH-3RP*

- Easy to clean – simply pull the ring to disassemble the feeder in seconds
- Durable metal parts that won't chip or fade and squirrels can't chew
- Threaded base allows for addition of a seed tray or can be pole-mounted
- UV-stabilized polycarbonate tube won't yellow with age
- Holds up to 1 lb of seed

## Droll Yankees® Ring Pull Tube Bird Feeder – 1 lb | *A-6RP*

- Easy to clean – simply pull the ring to disassemble the feeder in seconds
- Six feeding ports allow multiple birds to dine at the same time
- Durable metal cap, base, and ports resist squirrel chewing
- UV-stabilized polycarbonate tube
- Internal seed baffle design directs seed to the ports so that the feeder empties completely
- Threaded base allows for addition of a seed tray or can be pole-mounted with the Threaded Pole Adapter (sold separately)
- Holds up to 1 lb sunflower seed or mixed seed
- Made in USA (with global components)

## Droll Yankees® Sunflower Tube Bird Feeder – 2.5 lb | *B-7F-M*

- Six feeding ports allow multiple birds to dine at the same time
- Zinc plated top, base, and feeding ports are designed for extended outdoor use and resist squirrel damage
- Suspend from the steel hanging wire or pole mount with the threaded base
- Holds up to 2.5 lb of seed

## Droll Yankees® Dipper Squirrel-Proof Bird Feeder – 5 lb | *YCPD-90-M*

- Four weight-sensitive perches encourage smaller songbirds to eat while preventing squirrels from feeding
- Perches are calibrated to collapse under approximately 2 oz of weight
- Heavy metal cap fits snugly on the tube to prevent squirrels from lifting it to reach the seed
- Length and width of tube are designed to prevent squirrels from reaching the ports
- Internal seed baffle design directs seed to the ports so that the feeder empties completely
- Hang from the looped stainless steel wire which reduces motion
- With a large 5 lb capacity, you don't need to refill your bird feeder every day

# Seed Feeder *Droll Yankee*

## Yankee Whipper Squirrel-Proof Bird Feeder – 5 lb | YCPW-180

- Four curved perches are designed with cardinals in mind, but prevent squirrels from feeding
- Weight-sensitive perches are calibrated to collapse under approximately 2 oz of weight
- Heavy metal cap fits snugly on the tube to prevent squirrels from lifting it to reach the seed
- Length and width of tube are designed to prevent squirrels from reaching the ports
- Internal seed baffle design directs seed to the ports so that the feeder empties completely
- Hang from the looped stainless steel wire which reduces motion
- With a large 5 lb capacity, you don't need to refill your bird feeder every day

*Alternate configuration, YCPW-180-M*

## Yankee Tipper Squirrel-Proof Bird Feeder – 5 lb | YCPT-360-M

- Weight-sensitive tray can hold the weight of up to four cardinals, but tips under the weight of a grey squirrel (about 8 oz)
- Tray collects fallen seed and serves as a platform that allows multiple birds to feed simultaneously from the 4 ports
- Heavy metal cap fits snugly on the tube to prevent squirrels from lifting it to reach the seed
- Length and width of tube are designed to prevent squirrels from reaching the ports
- Internal seed baffle design directs seed to the ports so that the feeder empties completely
- Hang from the looped stainless steel wire which reduces motion
- With a large 5 lb capacity, you don't need to refill your bird feeder every day

## Yankee Flipper Squirrel-Proof Bird Feeder – 5 lb | YF

- 100% Squirrel-Proof\* – weight-activated spinning perch keeps squirrels off, but allows even large birds to feed
- Four feeding ports allow multiple birds to dine at the same time
- Attracts cardinals, chickadees, finches, grosbeaks, jays, juncos, nuthatches, and more
- Heavy-duty metal components are powder coated for durability, so it's reusable for many birding seasons
- Saves seed – birds can enjoy more seed, while you save money
- Lift-off lid and wide-mouth opening allows for easy filling and cleaning
- Holds up to 5 lb of black-oil sunflower seed or mixed seed

*Alternate configuration, YF-M*

## Jagunda Squirrel-Proof Bird Feeder with Auger – 6 lb | JG-A-M

- 18.5" feeder tray doubles as a squirrel baffle to prevent squirrels from reaching the seed
- 15" cover offers weather protection
- No-tilt auger keeps the 5.5' pole mounted securely in the ground, and the auger installation is arthritic hand-friendly
- Tray includes drainage holes to keep food fresh
- Install a tube feeder above your Jagunda to attract a wider variety of birds and create different feeding zones
- Droll Yankees' collet technology makes cleaning and filling the Jagunda a breeze – simply loosen the collet fastener and lift the feeder cover for quick and easy access
- Holds up to 6 lb of seed

# Seed Feeder *Dual Seed*

## Perky Pet Dual Mesh Seed Feeder | TSS00349

- Individual compartments allow you to serve thistle and sunflower seed at the same time
- Circular seed tray and mesh surface attracts clinging and perching birds

## More Birds® Seed Scoop | 38095-6CT

- Ergonomically designed for easy scooping
- Narrow handle seed spout design takes away the hassle from filling tubular bird feeders
- Push in the seed stopper towards the handle to hold seed
- Pull the seed stopper away from the handle, and seeds quickly release from the scoop
- 1.33 lb seed capacity
- Red plastic construction

*Alternate configuration, 38095-6CT-DI, 38095-GD, 38095-PRD*

## Perky-Pet® Scoop N' Fill Bird Seed Scoop | 300-12

- Seed scoop holds up to 4 cups of bird seed
- Handle attaches directly to seed bag, sealing in freshness
- Constructed of durable plastic
- Ergonomically correct design

# Accessories

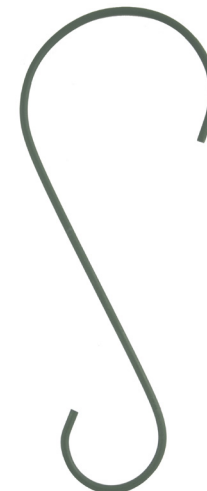

## 9 Inch Branch Hook | 38022

- Well designed: Safe for trees but can be hung from decks, bushes, gutters, ladders, indoors, and more while looking sleek in a natural dark green or black finish
- Premium quality: Powder coated rust proof and weather proof metal construction create a hanger meant to last
- Multipurpose: Great for hanging not just birdfeeders, but plants, lanterns, lights, ornaments or other decorations
- Protect the birds: A portion of all Stokes select proceeds is donated to bird habitat and conservation, so you can create a better bird environment
- Highly rated: Stokes select is a common household name for a reason - our birdfeeders, birdhouses, bird accessories, squirrel and ant proofing designs and materials work
