Ant Indoor

TERRO® Liquid Ant Baits | T300

- Attracts and kills the household ants you see and the ants you don't
- Ready to use – set the bait, attract ants, and kill the colony
- Stay-fresh tab keeps liquid bait fresh until opened
- Snap-off design makes it easy to open – no scissors needed
- Use bait stations along baseboard, under appliances, on windowsills and wherever ants are numerous
- **Active Ingredient: Borax (5.4%)**
- 2.2 fl. oz - 6 pack - 24 per case

Alternate configurations, T300-3SR, T300B, T300RF, T303, T306, T324B

TERRO® 2 oz Liquid Ant Killer | T200V

- Attracts and kills the household ants you see and the ants you don't
- Kills the ants you see and the ones you don't
- Works fast – reduces ant populations in days
- Easy to use – place the bait, attract ants, eliminate the colony
- Apply bait to cardboard tiles and place where you've seen ant activity
- The more bait placements the better your results will be
- **Active Ingredient: Borax (5.4%)**
- 2.0 fl. oz. - 10 per case

Alternate configurations, T200-12, T200-3SR

TERRO Multi-Surface Liquid Ant Baits | T334B

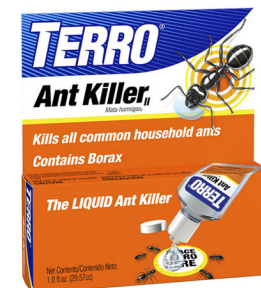

- Attracts and kills the household ants you see and the ants you don't
- Discreet, two-color design blends in with your décor
- Adhesive strips attach ant baits to walls or under cabinets
- Worker ants carry and deliver a lethal dose to the rest of the colony
- Stay-fresh twist tab keeps liquid bait fresh until opened
- **Active Ingredient: Borax (5.4%)**
- 0.48 fl. oz. - 4 pack - 5 per case

Alternate configuration, T334BSR

TERRO® 1 oz Liquid Ant Killer | T100-12

- Attracts and kills the household ants you see and the ants you don't
- Kills the ants you see and the ants you don't
- Worker ants deliver a lethal dose to the rest of the colony
- Apply product to cardboard tiles and place where ants are seen
- The more bait placements the better your results will be
- Use along baseboards, under cabinets and near entry points
- **Active Ingredient: Borax (5.4%)**
- 1.0 fl. oz. - 12 per case

Ant Indoor

TERRO® Ant Killer Spray | T401-6

- Kills ants, cockroaches, crickets, scorpions, spiders, and other insects
- Kills on contact and continues to kill for up to 6 weeks
- Use as a spot treatment and in cracks and crevices
- 16 oz aerosol can with twist-to-open top
- For indoor and outdoor use
- *Active Ingredients: Prallethrin (0.03%), Esfenvalerate (0.05%) and N-Octyl bicycloheptene dicarboximide (0.30%)*
- 16 oz. - 6 per case

Alternate configuration, T401SR

Ant & Roach Indoor

TERRO® Ant & Roach Baits | T360

- Sweet liquid bait attracts and kills the ants you see and the ones you don't
- Worker ants carry and deliver a lethal dose to the rest of the colony
- Protein-based paste bait attracts and kills roaches, ants and silverfish
- Stay-fresh twist tab keeps liquid bait fresh until opened
- Use along baseboards, on countertops, inside cabinets or under appliances
- Pre-filled, ready-to-use bait stations are easy to use
- For best results, use all 4 baits to ensure pests receive an ample supply
- *Active Ingredients: Borax (5.4%), Abamectin B1 (0.05%)*
- *Liquid Bait 1.44 fl. oz. - Paste Bait: 0.28 oz - 4 pack - 10 per case*

Alternative configuration T360SR

Ant Outdoor

TERRO® Outdoor Liquid Ant Bait Stakes | T1813

- Kills the ants you see and the ones you don't
- Attracts and kills all common household ants
- Targets ants outdoors before they can come indoors
- Reduces ant populations within days
- Ready to use – cut tab, insert in ground, kill the colony
- *Active Ingredient: Borax (5.4%)*
- 2.0 fl. oz. - 8 pack - 6 per case

Alternate configurations, T1813B

TERRO® Ant Dust | T600

- Kills ants (including fire & carpenter ants), cockroaches, spiders and other insects
- Ready-to-use - Kills insects on contact and continues to kill up to 8 months
- Waterproof dust won't wash away in rain
- Easy-to-use - Convenient shaker can allows both scatter and wide spread options
- For indoor and outdoor use
- Ideal for crack and crevice treatments
- *Active Ingredient: Deltamethrin (0.05%)*
- 1.0 lb. - 12 per case

TERRO® 3 lb Ant Killer Plus | T901-6

- Kills ants, fire ants, cockroaches, fleas and other insects
- Fast-acting granules kill insects in 24 hours
- Keep insects out – use as band treatment around house foundations and on lawns, or as a spot treatment on ant hills
- Convenient, resealable shaker bag – no spreader required
- For outdoor use only
- *Active Ingredient: Lambda-Cyhalothrin (0.04%)*
- 3.0 lbs. - 6 per case

Alternate configuration, T1901SR

TERRO® Perimeter Ant Bait Plus | T2600

- Bait and kills ants, cockroaches, crickets, earwigs, silverfish, slugs, and snails
- Weather-resistant granules allow long-lasting protection for up to 4 weeks
- Takes care of insect infestations outside, before they enter the home
- Ideal as a perimeter application around the home or property
- 2 lb shaker canister allows for easy application
- *Active Ingredient: Orthoboric Acid (5.0%)*
- 2.0 lbs. - 6 per case

Alternate configuration, T2600SR

Ant Outdoor

TERRO® Outdoor Ant Killer Spray | T1700-6

- Kills ants (including carpenter ants), cockroaches, spiders, and other insects
- Fast knockdown protection with long-lasting residual control
- Spray reaches up to 10 to 15 feet
- Use as a spot treatment or in cracks and crevices
- 19 oz aerosol can, designed for outdoor use only
- *Active Ingredients: Permethrin (0.20%), related reaction products (0.017%) and Tetramethrin (0.20%)*
- 19 oz. - 6 per case

Alternate configurations, T1700SR

TERRO® Outdoor Liquid Ant Baits | T1804-6

- Attracts and kills all common household ants
- Kills the ants you see and the ones you don't
- Target ants outdoors before they can come indoors
- Works fast – reduces population in days
- Ready to use – place the bait, attract ants, eliminate the colony
- Easy activation – push down and twist the bait cup
- Includes 4 pre-filled, ready-to-use bait stations
- *Active Ingredient: Borax (5.4%)*
- 4 pack - 6 per case

Alternate configurations, T1804SR, T1804-3SR

Other Insects *Outdoor*

TERRO® Fire Ant Killer | T702

- Apply directly on mounds to kill fire ants on contact
- Waterproof formula lasts and continues killing for up to 8 months
- Odor-free granules are designed for outdoor use
- Ready-to-use, no need to water in
- Convenient and easy-to-use 2 lb shaker can
- 2.0 lbs. - 6 per case

TERRO® Fire Ant Bait | T708

- Effective against fire ants - kills the queen, kills the mound
- Fast-acting, odor-free granules kill ants in about 24 hours
- Helps to prevent new mounds for up to 2 months
- Convenient shaker bag allows for mound application or broadcast treatment
- Resealable 2 lb shaker bag treats up to 30,000 sq ft
- 2.0 lbs. - 6 per case

Multi-Insect Indoor / Outdoor

TERRO® Carpenter Ant & Termite Killer Ready-To-Use | T1100-6

- Kills carpenter ants, termites, carpenter bees, wood wasps, and other insects
- Kills on contact and continues to kill for up to 4 months
- Ideal as a crack and crevice treatment, in crawl spaces, and on ant hills and trails
- 32 oz ready-to-use spray bottle
- For indoor and outdoor use
- *Active Ingredient: Deltamethrin (0.02%)*
- 32 oz. - 6 per case

Multi-Insect Outdoor

TERRO® Carpenter Ant & Termite Killer | T1901-6

- Kills carpenter ants, termites, carpenter bees, wood wasps, and other insects
- Kills on contact and continues killing for up to 1 month
- Two-way spray nozzle allows you to reach crevices where pests live
- Odorless and non-staining formula
- Ideal for indoor or outdoor use

Roach

TERRO® Roach Magnet Trap | T256-8

- Attracts and traps roaches, ants, spiders, scorpions, centipedes, silverfish, crickets & palmetto bugs
- Contains no chemical insecticides
- Three entry points allow for easy insect access
- Place in kitchens, bathrooms, cabinets, and near appliances
- Includes 8 Roach Magnet Traps
- 12 traps - 12 per case

TERRO® Roach Bait Gel | T502

- Attracts and kills roaches (German, American, and Oriental roaches)
- Bait starts working to control roaches in 2 days
- Easily apply with one hand – unique can allows for smooth, uniform dispensing
- Adjustable flow nozzle means no waste and no mess
- Inspect bait placements periodically and reapply as needed
- Use in kitchens, bathrooms, basements, garages, and other indoor spaces
- Large 3 oz bottle provides plenty of roach-killing power
- 3oz - 1 pack - 12 per case

TERRO® Multi-Surface Roach Baits | T500

- Bait station attracts and kills roaches for complete control
- See-thru window lets you know when to replace bait station

Mosquito Magnet

Mosquito Magnet Patriot Plus Mosquito Trap | MM4200B

- Silent trap emits carbon dioxide, heat and moisture to attract mosquitoes
- Coverage area up to 1 acre
- Trap starts working immediately and you see results in 7 to 10 days
- Plug-in trap is ready to use with the touch of a button
- Operate the odorless trap continuously to break mosquitoes breeding cycle
- Self-contained rigid net traps insects and allows for easy disposal
- Outdoor use only
- Note: propane tank is not included
- *1 pack - 1 per case*

Mosquito Magnet Executive Mosquito Trap | MM3300B

- Attracts and captures mosquitoes and other biting insects like midges, black flies and no-see-ums
- Features the Mosquito Magnet patented catalytic converter - converts propane into carbon dioxide (propane tank not included), heat, and moisture to simulate human breath
- “Smart Technology” offers 5 different user-friendly digital setting options - including 4 fuel savings modes that extend the life of your propane tank. Can automatically start-up/power-down by itself when the temperature reading is above/below 50°F
- The new rigid, self-contained included mosquito net has been especially engineered to maximize continuous, unblocked airflow. The new net allows for easy disposal, eliminating any interaction with insects.
- Cordless. Ideal for larger yards - protects up to 1 acre
- *1 pack - 1 per case*

Mosquito Magnet Accessories & Refills

Mosquito Magnet 3-Pack Octenol Attractant | OCTENOL3

- Mimics human breath
- Recommended attractant for those who live in northern & coastal regions
- Replace every 21 days
- Increases catch rates up to 10 times
- Attracts most mosquito species, including salt marsh, as well as no-see-ums and black flies
- Lures biting insects to the Mosquito Magnet trap and away from you and your family
- 3 pack - 6 per case

ATRAKTA Mosquito Attractant Pods for Mosquito Magnet ATRAK3N

- ATRAKTA attracts mosquitoes, including those which may transmit West Nile virus, Encephalitis, Zika virus, Chikungunya virus, to the trap where they die
- Enhances catch rates of your Mosquito Magnet Trap or any outdoor mosquito trap
- Three-part pod emits scents that mosquitoes find irresistible
- Replace pods every 16 days for best results
- Includes 3 ATRAKTA pods and an adapter for Mosquito Magnet Traps
- 3 pack - 6 per case

Mosquito Magnet Executive Replacement Net | MM3300NETN

- For use with Executive Trap
- Start each season with a new net
- Replace every 21 days or as needed for peak performance
- New rigid, self-contained mosquito net especially engineered to maximize continuous, unblocked airflow (critical to the performance of the mosquito trap)
- Net allows for easy disposal, eliminating any interaction with insects
- Features increased capacity to extend the life of the net before needing replacement
- 2 pack - 6 per case

Mosquito Magnet Patriot Plus Replacement Net | MM4200NETN

- Use with Patriot Plus trap
- Rigid bag is self-contained
- Allows for easy disposal and replacement
- Replace net every 21 days or as needed for peak performance
- 1 pack - 4 per case
